## MRS. GREIVE'S CORNER

Dear Families,

It is hard to believe we have been in school for 3 ½ weeks. Students have been working hard in their 90 minute reading blocks and 60 min. math blocks. The teachers have been reviewing the data from the first aimswebPlus &/or NWEA benchmark tests the students have completed. Utilizing that data, we will be placing students into RtI (Response to Instruction) groups for additional instructional time outside of the reading and math blocks to gain more practice in these areas. In these groups, students will be doing an enrichment, maintenance or remediation activity.

Please be sure to send your students to school in closed toe shoes. Flip-flops, high heeled shoes, sandals, open-toed shoes, backless shoes (clogs) or other unstable footwear are not permitted at school. "Croc" type shoes must be worn with backs in place. We play outside on the playground and with the number of students and the mulch, we want to keep students safe.

We strongly encourage families to complete the Free or Reduced Meal and Textbooks Assistance Application at the following link if you think you may qualify for meal or textbook assistance; <https://www.myschoolapps.com/Application>. This application must be completed online **every school year**. If you have questions or need help completing it, please contact our Food Service Director, Dorie McMahon, at [dmcmahon@lburg.k12.in.us](mailto:dmcmahon@lburg.k12.in.us) or 812-537-7213.

Yours in education,

Mrs. Greive
