

CONFLICT RESOLUTION

Policy Code:

3431

To create and maintain a safe, orderly and inviting learning environment, students must have the skills to resolve conflicts in non-violent ways.

All schools are encouraged and any alternative school is required to include a conflict resolution plan in the school improvement plan as provided in board policy 3430, School Improvement Plans.

The central curriculum committee will explore opportunities to integrate conflict resolution skills into the standard course of study and other curriculum.
