We encourage each student and parent/guardian to become familiar with the information in the handbook. If you have any questions, feel free to call. We want to work closely with you to provide the best education possible for your child. Remember that the safety of your child is our number one priority.

With that in mind, there is one important rule to note. **Our school is peanut and tree nut restricted.** Please refer to Appendix D for further information.

ACTIVITY TICKETS

If you are interested in purchasing activity passes please contact the High School office.

Activity tickets cannot be used for tournaments or play-off games.

ANTI-BULLYING/HARASSMENT OF STUDENTS

The Harrisburg School District is committed to providing all students with a safe and civil school environment in which all members of the school community are treated with dignity and respect. Therefore, the school district prohibits harassment or bullying.

Persistent bullying can severely inhibit a student's ability to learn and may have lasting negative effects on a student's life. Thus, bullying is strictly prohibited and shall not be tolerated.

Bullying consists of repeated physical, verbal or non-verbal, written, electronic or any conduct directed toward a student (s) that is so pervasive, severe and objectively offensive that it:

1. Has the purpose of creating or resulting in an intimidating, hostile or offensive academic environment, or
2. Has the purpose or effect of substantially or unreasonably interfering with a student's academic performance in which deprives the student access to educational opportunities.

This policy applies while students are on school property; while in school-owned or school-operated vehicles; while attending or engaged in school-sponsored activities, while using school equipment, and while students are away from school grounds if the misconduct directly affects the good order and efficient management of the school and the welfare of the students in the District.

This policy shall not be interpreted to prohibit civil exchange of opinions or debate protected under the state or federal constitutions where the opinion expressed does not otherwise materially or substantially disrupt the education process or intrude upon the rights of others.

If, after an investigation, a student is found to be in violation of this policy, the student shall be disciplined by appropriate measures up to, and including, suspension and expulsion.

Retaliation against a person because the person has filed a bullying or harassment complaint or assisted or participated in a harassment investigation or proceeding is prohibited. Any individual who knowingly files a false harassment complaint and a person who gives false statements in an investigation shall be subject to discipline by appropriate measures, as shall a person who is found to have retaliated against another in violation of this policy. A student found to have retaliated or filed a false complaint in violation of this policy shall be subject to measures up to, and including, suspension and expulsion.

The building principal, assistant principal, school counselor or principal's designee will be responsible for investigating all complaints by students alleging bullying or harassment. All documentation associated with a complaint shall be maintained by the building principal.

Anti-Discrimination Policy (Title IX)

The Harrisburg School District believes that a valuable element of education is the development of respect for all individuals and seeks to provide equal access/equal opportunity for students, employees, and the public to District programs and activities. The District is committed to prohibiting discrimination in its policies, employment practices, programs and activities on the basis of race, color, creed, age, religion, gender (including pregnancy), sexual orientation, disability, national origin or ancestry, military/veteran status, genetic information or any other category protected by law. The District prohibits acts of discrimination toward any individual(s) while on District property or at District sponsored activities and is committed to supporting those in our educational community who are discriminated against in other venues. To encourage development of respect for all individuals, the District will play a key role in the education regarding the prevention of discrimination. Training of employees and awareness education for students are examples of methods in which the District will assist in being proactive against discrimination. Violations of this policy may result in discipline up to and including expulsion for students, up to and including termination for employees and suspension from attending school activities for citizens. These consequences are independent of any legal consequences that may ensue, depending on the circumstances of each case. The District prohibits retaliation against any individual who reports a claim under this policy or participates in an investigation of any such claim. Additional information regarding the District's anti-discrimination policy, including complaint procedures,

are outlined in School Board Policies AC and AC-R. Inquiries concerning equal opportunity/non-discrimination or retaliation may be referred to the Harrisburg School District Human Resources Manager at 605-743-2567 x3003 (Jennifer.Conway@k12.sd.us).

ATTENDANCE

Daily attendance of students enrolled in a Harrisburg Elementary School is required in accordance with state law. South Dakota statutes require the local board of education to enforce definite standards of attendance, with few valid excuses for absences. A student's contribution to and achievement in classrooms are directly related to attendance. Both students and parents must understand that students miss a vital portion of their education when they are absent from school.

Students will be allowed ten (10) absences per semester. School missed because of attendance at a school-sponsored trip or activity will not be considered an absence. A doctor's note may be required for absences due to illness of three (3) or more consecutive days. The administration will take into consideration any special situations that may arise.

While it is true that written work can be completed for make-up, classroom instruction or presentations, discussions, technology, activities, and student-teacher interaction can never be made up.

With the foregoing in mind, together with the provisions of the state law, specifically SDCL 13-27-1, the official attendance policy of the Harrisburg Elementary Schools shall be as outlined in the paragraphs below.

* At 10 days absent per semester, the principal will determine to either submit a petition to the Court for resolution or seek an alternate remedy. It is also important to note that the discretion of the building administrator will be used in a case-to-case basis. For the benefit of the family, if attendance becomes a concern, a notice will be sent home as a communication tool.

HOME TO SCHOOL COMMUNICATION REGARDING ABSENCE / TARDY

Parents are expected to call or email the school by 8:15 a.m. to report if a child will be tardy or absent and the reason for the tardy or absence. A note to the school is acceptable if a call/email cannot be made. If a child is absent and no call or note has been received, school personnel will contact the parent either at home or at work. A student will be marked tardy if not in school when the day starts at 8:15 a.m.

8:15 – 8:30am	Tardy for AM
8:30 – 10:00am	¼ Day Absent
10:00 – 11:45am	¼ Day Absent
11:45 – 1:30pm	¼ Day Absent
1:30 – 3:15pm	¼ Day Absent

If tardiness becomes excessive, the principal will contact the parents. If the issue continues, the school truancy officer may be contacted. This will be at the discretion of the building principal.

Behavior Matrix- See Appendix E

CELL PHONES / ELECTRONIC DEVICES

The use of a cell phone or any device that has cellular access (including smart watches) by a student inside the school during school hours is prohibited unless the student has secured staff permission to use it. A student may bring a cell phone or electronic device to school and place it in his/her locker or school bag. It must remain off during school hours. If the above guidelines are not followed, the device will be turned into the office and a parent will be contacted to come and pick it up from school.

CHILD NUTRITION- SEE APPENDIX A

CONFERENCES

A parent/teacher conference will be held in the winter. Every child will be scheduled for one 15-minute conference. If you have any questions, please feel free to contact the teacher at school at any point throughout the school year.

DAILY SCHEDULE

7:45 a.m. Students may enter the building only if eating breakfast
7:50 a.m. Students may be dropped off on the playground
8:15 a.m. School day begins
3:15 p.m. Dismissal for elementary students

DELIVERIES

Having gifts, such as flowers or balloons delivered to your child during the school day is discouraged. If there is a delivery for a student during the school day, the student's teacher will be given a note that the student has a delivery in the office. If time permits in the daily schedule, the student may come to the office to view their delivery, but it will remain in the office until the end of the day. This procedure is implemented to assist the teacher in limiting distractions to students during the day. If you decide to send something to your student, please be

mindful of how he/she will be getting it home; large objects and balloons can be a safety issue on buses.

EMERGENCY DRILLS

FIRE DRILLS

Fire drills are to develop and maintain prompt, orderly evacuation procedures. Drills will be run twice a semester.

- The warning will be by the school alarm system.
- Students are to follow the directions of the teacher in charge of the room they are in at the time of the alarm.
- Exit the room in a single file line from a room.
- Always remember to move quickly, but do not run or shove. Stay in line and do not make noise.
- Once you clear the building, report to your classroom's designated area and remain quiet until the bell has rung to return to your room.

LOCKDOWN DRILLS

A lockdown drill is to practice for the unlikely event of an intruder entering the building. The lockdown drill is exactly that, locking down all the classrooms in the building. A "mini" drill will typically be performed towards the beginning of the year, with the full drill being completed sometime after that. The following are some of the steps involved in a lockdown drill:

- An announcement will be made over the intercom.
- Students are to proceed to the designated safe place in the classroom .
- If a student or staff member is in a hallway, they are to proceed to the nearest room.
- The rooms are to remain silent and calm.
- In a "mini" drill, the designated building staff will check the rooms and the principal will announce the end of the drill.
- In a full drill, resource officers and other administrators in the district will assist and ensure the safety of the students. The police would notify the students to evacuate to an alternate sight.

SEVERE WEATHER / DISASTER DRILLS

Disaster drills will be practiced two or more times a year for events such as a tornado. The following are some of the steps that will be taken:

- The warning will be by school employee or public address system.
- Evacuate classrooms bearing directions of the tornado.
- Remain near an INSIDE wall on the LOWER floor if possible.
- Students should be on knees, clasp both hands behind neck, and bury face in arms, close eyes and cover ears with forearms.
- Avoid auditoriums, gymnasiums or any structure with large roof spans.

GENERAL HARASSMENT POLICY

HARASSMENT: A repeated pattern of unprovoked aggressive behaviors of a physical and/or psychological nature carried out by an individual or a group against an individual or group with the effect of causing harm or hurt. All forms of harassment meet the standards of being unwelcome, unwanted, and uncomfortable in the view of the recipient. They all have the effect of creating a hostile environment. It is the Harrisburg School District's policy that no student may interfere with another individual's academic or work performance by creating an intimidating hostile threatening or offensive environment. After informing the offender that their behavior is unwelcome, students should report the behavior to a staff member. Formal written complaint forms are available in Mrs. Kristin Hamman's office located at 200 Willow Street, Harrisburg, SD.

HARRISBURG SCHOOL DISTRICT

Motto:

Building Strong Foundations for Success

Vision:

It is the vision of the Harrisburg School District to create a legacy of exemplary academics, paired with a comprehensive scope of extra-curricular activities and opportunities that will develop an educational environment of leaders who foster citizenship, exemplify integrity, and evoke critical thinking. As an innovative, leading-edge school district, together we will maximize positive change and transcend barriers.

Mission Statement:

The Harrisburg School District optimizes student potential through the pursuit of educational excellence in partnership with the school community.

HARRISBURG SCHOOL DISTRICT NETWORK ACCEPTABLE USE POLICY

New technologies are changing the way information may be communicated, accessed and transferred. We believe that it is essential for our students to gain the knowledge and skills needed to utilize these technologies -- for this is their future. The Harrisburg School District offers networked electronic resources and Internet access to its students and staff in order to access unique resources and electronic communication with the world; and to improve learning and teaching through research and collaborating with other educators in sharing successful educational practices, methods and materials.

Along with access to computers and people all over the world comes the availability of materials that may not be considered appropriate in the classroom. However, on a global network it is impossible to control all materials. Ultimately,

the school staff, parents and guardians of minors are responsible for setting and conveying the standards that students should follow when using media and information sources. The Harrisburg School District supports and respects each family's right to decide whether or not to allow their child to apply for access to the Internet.

Network Use – Rules and Responsibilities

Users are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply.

Use of the school computer network and access to the Internet is provided for students and staff to conduct research and communicate with others in relation to schoolwork. Access to network services is given to users who agree to act in a considerate and responsible manner. Parent permission is required. Access is a privilege, not a right. Any abuse of the network or the Internet, intentional or unintentional, including violation of current laws, any financial transaction, etc. will be the sole responsibility of the user, including the student's parent. Therefore, based upon the acceptable use guidelines outlined in this document, the system administrators will deem what is inappropriate use and their decisions are final. The system administrators may close an account at any time. The administration and faculty of the Harrisburg School District may deny, revoke or suspend specific user accounts.

The user is expected to abide by the following network rules of etiquette:

- Be polite. Do not write or send abusive messages.
- Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
- Transmission of obscene materials is prohibited. Sending or receiving offensive messages or pictures from any source will result in immediate suspension of privileges.
- Do not reveal the personal address or phone number of yourself or other students.
- Do not communicate any credit card number, bank account number, or any other financial information.
- Electronic mail is not guaranteed to be private. People who operate the system do have access to all mail. Inappropriate messages can result in suspension of privileges.
- Do not use the network in such a way that would disrupt the use of the network by other users.
- Vandalism – any malicious attempt to harm or destroy data of another user will not be tolerated. Any questionable action will result in the cancellation of user privileges.

Violation of any of the above mentioned rules and responsibilities will result in a loss of access and may result in other disciplinary or legal actions.

The Network User Agreement and Parent Permission Form will be completed and acknowledged by parents annually through the online registration process.

HEALTH AND SAFETY ISSUES- SEE APPENDIX B

LEARNING OPPORTUNITIES / HOMEWORK

Teachers may assign learning opportunities if they feel the student needs additional practice on a skill and/or needs to complete activities or projects. Learning opportunities will vary by content and age level and will only be used to support learning. We encourage every student to read at least 20 minutes every night.

MODIFICATIONS FOR INDIVIDUALS WITH A DISABILITY

The Harrisburg School District will make modifications to its programs, facilities, employment practices, and activities to accommodate all qualified individuals with a disability. The district will assure that all educational services will be provided and offered to all students including disabled/disadvantaged students. The district assures that all students will receive an equal opportunity to achieve educational benefits including vocational technical education programs.

NON-DISCRIMINATION STATEMENT

The Harrisburg School District does not discriminate in its employment policies and practices, or in its educational programs on the basis of race, color, creed, religion, age, sex, disability, national origin or ancestry.

Inquiries concerning the application of Title VI, Title IX, Section 504, Affirmative Action, and the Americans with Disabilities Act compliance activities, may be referred to Ms. Kristin Hamman at 200 Willow Street, Box 187, Harrisburg, SD 57032-0187, phone 605-743-2567 or to the Office for Civil Rights, U.S. Department of Education, 8930 Pkwy, Suite 2037, Kansas City, MO 64114-3302, Phone: 816-268-0550, Fax: 816-823-1404, TDD: 877-521-2172 E-mail: OCR-Kansascity@ed.gov

It is the policy of the Harrisburg School District that no individual be discriminated against based on the grounds of race, color, national origin, creed, religion, sex, disability, or age.

PARENT / FAMILY INVOLVEMENT

We encourage parents and grandparents to volunteer at our school. There are many ways to become involved in and out of school that will benefit the children and help make our school an even better place for our children's growth and learning. Our goal is for every family to participate in some way. Please contact

your child(ren)'s teachers or the Parent/Teacher Organization for more opportunities to volunteer.

PARENT PORTAL

The Parent Portal can be accessed through the school website. Here you will find instant access to accurate, current and confidential information about your child(ren)'s school attendance, behavior data and more! Here are some Frequently Asked Questions about the program. If you have any other questions, please contact the school.

Who is eligible to have a Parent Portal account?

Parents of current students are eligible to activate a Parent Portal account, after agreeing to the terms and conditions of use.

How do I sign up?

When you register your child for school, you will receive an email that includes a link to sign up for Parent Portal. If you have misplaced this information, please contact Jean Hudson at 743-2567 x3001 (Jean.Hudson@k12.sd.us).

PARENTS RIGHT TO KNOW

The Federal education law "Every Student Succeeds Act" (ESSA) requires that all parents in a school which receives Title 1 funds be notified and given the opportunity to request information about the professional qualifications of classroom teachers and/or paraprofessionals instructing their child.

If you are interested in this information, you may send your written request to the building principal who will provide a response in a timely manner. The information received must include, at a minimum, the following:

- Whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Parents may also request information on the level of achievement of their child in each of the State academic assessments and timely notice that their child has

been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

PBIS (Positive Behavior Interventions and Supports)

Best practice in school-wide behavior management emphasize school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. Harrisburg Elementary Schools utilize a continuum of positive and proactive behavior supports for all students in areas including classroom and non-classroom settings (such as playground, hallways, buses, and restrooms) to reinforce prosocial and positive behaviors.

Expectations

Harrisburg Elementary Schools have adopted the universal expectations, Tiger “PAWS”itive Expectations, within instructional and non-instructional settings. These expectations provide a framework for school-wide rules in all settings.

- P** Practice Safety
- A** Accept Responsibility
- W** Work Hard
- S** Show Respect

Response to Behavior

The Behavior Response Matrix (see Appendix E) defines levels of behaviors as well as possible proactive and consequential responses that may be utilized when students fail to meet school-wide rules and expectations.

“Paws”itive Notes

Students who meet the expectations and exhibit outstanding character will be rewarded with “Paws”itive Notes.

PETS

Pets may be brought to school **ONLY** if permission is obtained from the classroom teacher and building principal. There are many different situations that need to be considered, examples include allergies and intolerance to animals. The principal will evaluate the situation on an individual basis and will deem whether or not the visit is safe and/or enhances an educational experience.

PUBLIC COMPLAINTS

Constructive criticism of the schools is welcomed by the Harrisburg School District when it is motivated by a sincere desire to improve the quality of the education program and to help the school personnel in performing their tasks more effectively.

The Board places trust in its employees and desires to support their actions in such a manner that employees are freed from unnecessary, spiteful or negative criticism and complaints.

Whenever a complaint is made directly to the Board as a whole or to a Board member as an individual, the complainant will be instructed to refer the matter to the school administration for study and possible solutions. The Board or individual Board member shall inform the administration, as soon as possible, that the complainant may contact them. The individual employee involved shall be advised of the nature of the complaint and will be given every opportunity for explanation, comment and presentation of the facts as he/she sees them.

In case of discipline or other school matters relating to their children, parents will first discuss the matter with the teacher. If, for some reason, they are not satisfied, they may further discuss that matter with the following persons in the following order: The Principal of the building, then the Chief Executive Officer (CEO)/Superintendent or his designee. If the Chief Executive Officer (CEO)/Superintendent is unable to satisfy the parents, he will report the case to the Board for consideration and action. The Board will not consider or act on complaints that have not been explored at the appropriate administration level. The Board will consider hearing citizen complaints when they cannot be resolved by the administration. Matters referred to the Board must be in writing and should be specific in terms of the complaint and the action desired.

If it appears necessary, the administration, the person who made the complaint or the employee involved, may request an executive session of the Board for the purposes of further study and a decision by this body. Generally, all parties involved, including the school administration, shall be asked to attend such a meeting for the purposes of presenting additional facts, making further explanations and clarifying the issues. Hearsay and rumor shall be discounted, as well as emotional feelings except those directly related to the facts of the situation.

The Board will render its decision which Chief Executive Officer (CEO)/Superintendent will implement. The decision of the Board may be appealed pursuant to 13-46.

Exceptions to this policy will be made when complaints concern Board actions or Board operations only.

RECESS

Students in Grades K-3 will have a short recess during the instructional day in addition to a scheduled recess following lunch. Students in Grades 4 and 5 will have a scheduled recess following lunch. Teachers will teach and practice the playground rules and expectations throughout the school year. Consequences

for not following the playground rules will follow the Behavior Response Matrix- see Appendix E. Recess will be outside if the temperature and/or wind chill is zero (0) degrees Fahrenheit and above. Students will be expected to wear a coat or something similar (e.g., sweatshirt) if the temperature is below 60 degrees Fahrenheit. If there is inclement weather, recess will be held indoors. Please send your student(s) prepared for the day's weather.

Recess is a part of the educational process. All students are expected to participate in recess every day. Students will not be allowed to stay inside for health purposes unless the student has a **doctor's note**.

REGISTRATION

The following items are needed to register your child for school: an original certified copy of their birth certificate, current immunization records, and proof of residency. Please contact the Registrar at 743-2567.

SAFETY ISSUES

Walking To School:

Students walking and riding bikes to school should utilize the sidewalks and designated paths.

Students are encouraged to park bikes in the bike racks provided.

Riding the Bus to School:

Please refer to the Transportation Policy under Appendix C

Drop Off:

Students are to be dropped off in front of the building and go directly to the playground. Do not stop for extended periods of time in order to keep traffic moving. If you need to get out of your car, please park in the lot.

Students may enter the building if escorted by a parent or if they arrive after 8:10 a.m.

Supervision of students on the playground begins at 7:50 a.m., students should not arrive before 7:50 a.m.

In case of inclement weather, students will be allowed in the building and will wait in a designated area.

Breakfast students being dropped off, should enter the building and go directly to the breakfast program. **Students eating breakfast are allowed to enter at 7:45 a.m.**

Pick up:

Parents are expected to coordinate a meeting location with their student. It is important that the classroom teacher knows the pick-up plan each day.

For safety purposes, it is essential to try and maintain a consistent schedule. Having multiple pick up plans and calling at the last minute to change plans makes it very difficult for the classroom teacher.

SCHOOL CANCELLATION AND EARLY DISMISSAL

The Harrisburg School District also uses a program for mass emergency and non-emergency notices. This program allows us to contact parents, students and staff in a matter of minutes via phone or email. This may be used for emergency school closings or standard school announcements, if necessary. It is essential to keep this information current so you receive notifications.

School cancellations, late starts and early dismissals will also be announced on most local radio or TV stations and a notification may be pushed out on the Harrisburg app.

In the event of an emergency early dismissal, the notification system will be used. Please have an alternative plan for your student to be picked up in a timely manner.

SCHOOL / HOME COMMUNICATION

Open communication between home and school is a top priority.

SCHOOL CELEBRATIONS AND TREATS

If a classroom has a party, it will be designated as a fall, winter, and/or Valentine’s Day party. Teachers are always looking for parents to help with these festivities. Please contact your child’s teacher if you are interested.

Please check with the teacher/school nurse before sending any treats to school, this will help to eliminate having multiple treats on one day. The teacher will also inform you of any allergies that need to be taken into consideration. The District is encouraging healthy treats. We try to limit treats to birthdays and special holidays.

Our school is peanut and tree nut restricted. Please refer to the school's website for the full policy.

SENDING MONEY TO SCHOOL

It has proven to be safer and more efficient to send checks instead of cash, but if it is necessary to send cash, please put it in an envelope with your child's name, teacher's name and purpose of the money clearly marked on the outside. If sending a check, please make the check out to the Harrisburg School District, unless directed otherwise by the teacher or principal. Students are not allowed to have visitors (e.g., cousins and/or friends) attend class with them. However, they may join them for lunch with an adult chaperone.

WEAPONS IN THE SCHOOL

Schools should be an example of what is required regarding the observance and respect for the law in society at large. Schools also must be highly conscious of the health, safety and welfare of students, staff and the public.

State and Federal laws, as well as board policy, forbids the bringing of dangerous or illegal weapons to school or school sponsored activities. Any weapon taken from a student shall be reported to the student's parents. Confiscation of weapons may be reported to the police. The building principal shall pursue appropriate disciplinary, legal action, or both.

A dangerous weapon is defined as any firearm, air gun, knife, device, instrument, material or substance, whether animate or inanimate, which is calculated or designed to inflict death or serious bodily harm.

No firearms are permitted on any school premises, school vehicle or any vehicle used for school purposes, in any school building or other building or premises used for school functions. An exception would be weapons under the control of law enforcement personnel, starting guns while in use at athletic events, authorized military personnel and authorized supervised school training sessions for the use of firearms.

Any student bringing a dangerous weapon to school shall be expelled for not less than twelve months and will be referred to law enforcement authorities. The Superintendent shall have the authority to recommend to the school board that this expulsion requirement be modified on a case-to-case basis. This policy shall be implemented in a manner consistent with IDEA and Section 504.

Appendix A

Child Nutrition Department-

Harrisburg School District's Child Nutrition Department is dedicated to providing wholesome and nutritious lunch and breakfast meals to all students. All of our menus meet or exceed the meal pattern requirements introduced in January 2012. The meal pattern is designed to meet the requirements of the *Healthy,*

Hunger-Free Kids Act of 2010. Currently our lunch and breakfast meals offer students milk, fruits and vegetables, proteins and grains, and they must meet strict limits on saturated fat, sodium and portion sizes. Harrisburg School Districts' lunch, breakfast and Ala carte items currently meet additional standards requiring:

- Age-appropriate calorie limits
- Larger servings of vegetables and fruits (students ***must*** take at least one serving of produce)
- A wider variety of vegetables, including dark green and red/orange vegetables and legumes
- Fat-free or 1% milk

Student Accounts:

The Child Nutrition Department utilizes a computerized point of sale system to track student meals and account balances. Each student is issued an individual account and they are issued an Identification Badge which is linked to their individual account. They will utilize this ID for breakfast or lunch purchases. If they lose, misplace or damage their card they will need to purchase a new one for \$5.00.

Depositing Money into Student Accounts:

Money can be deposited into a student's individual account either by sending cash or check with the student to school or you can use our online payment system (www.myschoolbucks.com). When a check is sent please indicate the student's name(s) and dollar amount to be deposited, in the memo section on the check.

Meal Prices:

Student meal prices for the 2019-2020 school year can be found on the Harrisburg School District website (<http://harrisburgdistrict41-2.org/>) after July 15th.

Ala Cart Items:

Only 4th and 5th grade students are allowed to purchase extra entrees or extra milk with their meal. Students in all grades can purchase a milk if they brought a lunch from home.

Ala Carte Restrictions:

Parents can request that we set up ala carte purchasing dollar limits on each individual student account. We can set dollar limits by the day, week or month. Once a student has reached the dollar limit that has been set, our point of sales system will not allow additional purchases until the time limit has passed. Ala carte is defined as any purchases outside of the normal lunch or breakfast. This includes extra entrees and extra milks.

District Meal Charge Policy:

All students will be required to have enough money in their account to pay for the items in which they choose. Please see [EFBA Meal Charge Policy](#) listed on the District Website for a detailed explanation.

Low Balance Notifications:

To receive low balance notifications for your student's account, you must set them up on the My School Bucks website (www.myschoolbucks.com). There are tutorials on how to do this on the My School Bucks website or on the Harrisburg School District website.

Free or Reduced Meal Forms:

Children from families whose income falls within certain guidelines may be eligible for either free meals or reduced meals. Children of families who qualify for the Supplemental Nutrition Assistance Program or SNAP, automatically qualify to receive free meals. To apply for free or reduced priced meals, please complete an application available online at the Parent Portal (<https://sis2.ddncampus.net/campus/portal/harrisburg.jsp>) which is located on the Harrisburg School District website. This form cannot be completed using a smartphone or tablet. If you do not have a computer, you can use the ones located in the public library or the computers available at the District Office.

Meal Change or Special Diet Forms:

All students that require a special diet or modifications need to have the *Meal Change* form filled out and on file with the Child Nutrition Department. This can be obtained from the school office or online at the District's website. Once the form has been filled out it only needs to be updated unless the special diet or modification has changed. A new form no longer has to be filled out every year.

Peanut & Tree Nut Restrictions:

Harrisburg School District's Middle and Elementary Schools have been declared a **Peanut & Tree Nut Restricted Zone!** Please see the Harrisburg School District website for the Peanut & Tree Nut Policy. Students that have peanut or tree nut allergies can have life-threatening reactions. Do not send snacks or foods that contain peanuts or tree nuts. This includes all items sent in student's sack lunches. A list of peanut free foods & snacks can be found in the school office or on the District website.

Classroom or Large Group Parties:

The Harrisburg Child Nutrition Department requires 2 weeks notice prior to any classroom or large group parties in which the students will not be eating lunch on that day. This will allow them to make any necessary changes to their food orders and plan accordingly.

Parent & Adult Meals:

Parents, guardians or grandparents are welcome and encouraged to eat lunch with their students. Please see the Harrisburg website for the price of an adult meal. Payment is required at the end of the meal line. Harrisburg School District encourages and teaches our students to make healthy choices for their meal so please refrain from bringing pop into the meal area during that time.
