

# READFIELD ELEMENTARY SCHOOL NEWSLETTER

January 24, 2020

**January 27th - REPA Meeting 6:30pm Library**

**January 30th - DATE CHANGE Grade 4 and 5 National Geography Bee 8:15am**

**January 31st - Kick off assembly for Bikes for Books Program**

**February 5th - Early Release - Dismissal starts at 11:40am**

## STUDENT DROP OFF CHANGES

As you know, you play a key role in the success of your child's education and we want your involvement in our school. **Beginning on January 15th, we are requesting that parents do not proceed through the hallways of the school without permission. If you decide to walk your child inside the school, please drop him or her off in the main lobby.** This request is to ensure the safety of our students and staff as well as teachers are busy preparing for the day. If you need to see your child's teacher, please contact him or her directly and make an appointment. We appreciate your support!

**Principal's Notes**  
by Jeff Boston

### Outerwear Issues

Dear Parents/Guardians,

We have had some issues this week with children becoming wet at recess. If children do not bring boots/snow pants they are required to stay on the tar area of the playground. Unfortunately they are still getting wet on the tar area and have been coming to the office for dry clothing. We do not have enough extra clothing to support this. If your child does not wish to wear snow pants, please send them with a change of clothing they can keep in their backpacks. Thank you for your consideration!

### NURSE NOTES

Please see Mrs. Jada's attachment for a helpful reminder of when we require children to stay home due to illness and when they are ok to come back to school. We also appreciate to hear from you when your student is ill, so we can keep track of any potential illness outbreaks.

## Winter Mad Science SECRET AGENT LAB Class CANCELED

I am very disappointed to tell you that the class has been canceled for the winter session. Mad Science was not able to find an instructor to teach the class. If you sent in a check or cash with your application, it should be attached to this note.

I hope Mad Science will be able to fulfill their contract with RES After School and offer a hands-on science class in the spring. If this is the case, I hope many of you will be interested in registering for the class. RES After School has been offering Mad Science classes for years and this is the first time they have had to cancel a class.

Thank you, Nancy Moorman, RES After School Programs Director  
**Any questions or concerns send an email to: [resdaycare@gmail.com](mailto:resdaycare@gmail.com)**

**RSU NO. 38 is hiring a full-time Bus Driver** to provide safe transportation for district students so that they may enjoy the fullest possible advantage from the district's curricular and co-curricular program.
