

COUNSELOR'S CORNER

Updates from the BJHS Guidance Office

— WELCOME — BACK TO SCHOOL

ADVISORY

We are so excited about the opportunity to revamp Advisory and make it as beneficial to our students as possible. If you did not complete the Google Form, you have been assigned a topic by now. Mrs. Bono is working on the schedule and lesson assignments. She also has some lesson plans for certain topics if you are interested. Mrs. Bono is an amazing asset at Benton Junior High! We are lucky to have her. We will get them out to you as soon as possible. Please let us know if you have any questions or concerns. Thank you for always being willing to monitor and adjust.

As always, we are still collecting My Coke Rewards. Every time you purchase Coca-Cola products, just save the codes and bring them to our office. For information or to enter codes, you can visit coke.com/give/schools. We received a check for \$139.12 this quarter for our collection efforts. Overall we raised \$730.08 last year. Thank you to everyone collecting for our program. Let's keep up the great work!

ACT ASPIRE

We have ACT Aspire scores. We are hoping to get the scores to the students as soon as possible. You guys should be able to access your students' scores as well.

"HIGH FIVE"

You all have "High Five" cards in your boxes. There is also an announcement about "High Fives." Please discuss this program with your students during advisory on one of the first three days. If you need help or an explanation, please let us know. Also remember that we have extra cards in our office if you need them. Shout out to Coach Murphree for already giving a student a "High Five" card!
