January 3, 2023

Dear Member of the ASJUSD Community:

Next week, in our school district, we will be talking with each other about what we believe is important about teaching and learning. This is the important next step to help our architects renovate or rebuild part or all of our schools to support what we are trying to accomplish with all students now and in the future.

Consultant David Jakes will work with each school as they think about these important questions:

- What is the educational story in ASJUSD?
- What makes us unique?
- What could the future hold for us?

He will invite conversation and ideas from all of our students, teachers, administrators, parents, and community members.

I have two requests. **First**, please take a few minutes to complete the survey found at this link:

English

<https://www.surveymonkey.com/r/asjUSD>

Spanish

<https://www.surveymonkey.com/r/asjUSDspan>

I understand we all dislike or are tired of taking surveys, but this information will help us. Your information will go directly to David Jakes who will provide us a summary of what he learns. The survey will remain open until January 13, 2023.

Second, please consider coming to our Town Hall meeting on Thursday, January 12, 5:30 Light supper, 6:00-8:00 pm workshop, in the Anzar High School Library. An RSVP is needed so we can have enough food for the light supper AND childcare staff we will provide. You can respond to me directly at bdillvarga@asjUSD.org with that RSVP!

Thank you! I am very excited about what the future holds for Aromas-San Juan USD. We can achieve anything if we are clear about what that vision is and we commit to working together on it.

Sincerely,

Barbara Dill-Varga, Ed.D.
Interim Superintendent
