
January News

This week in Phonics we are working on the /oo/ sound like in c<u>oo</u>k and p<u>u</u>sh. When reading with your child, ask them to find words that follow our pattern for the week.

Literacy

Our Fairy Tale unit is going great! We have read lots of different stories and compared their events and perspectives. We are also starting to write our own fairy tales.

Math

We are regrouping! Our classes are doing so well with addition and subtraction. We are using regrouping strategies to help us solve equations with numbers up to 1,000.

Information Station

1/29 - Coffee with Chris @ 7:30-8:15

2/12 - Choose Love Family Night @ 6:00-7:00

2/14 - Valentine Parties @ 1:50-2:50
