

## Scholarships for Texas High School Seniors

The chapters of the Texas Society of Professional Engineers (TSPE) in affiliation with Texas Engineering Foundation (TEF) will award scholarships to graduating Texas high school seniors who will be pursuing a degree in an engineering program at an ABET-accredited (Accreditation Board for Engineering and Technology) college or university.

TSPE chapters throughout Texas will award scholarships to high school seniors in their area. Information about the scholarships available and a list of local scholarship coordinators can be found at [www.TSPE.org](http://www.TSPE.org) (Programs/Scholarships).

For additional information, please contact TSPE at 512-472-9286.

### Texas Engineering Foundation

*To enhance the practice of engineering through supporting high quality formal engineering education and continuing professional development, encouraging the development and maintenance of the high standards of conduct expected of members of a learned profession, and providing scholarship assistance to outstanding engineering students.*
