INSTALLING RRGSD SECURITY CERTIFICATES IN MOZILLA FIREFOX

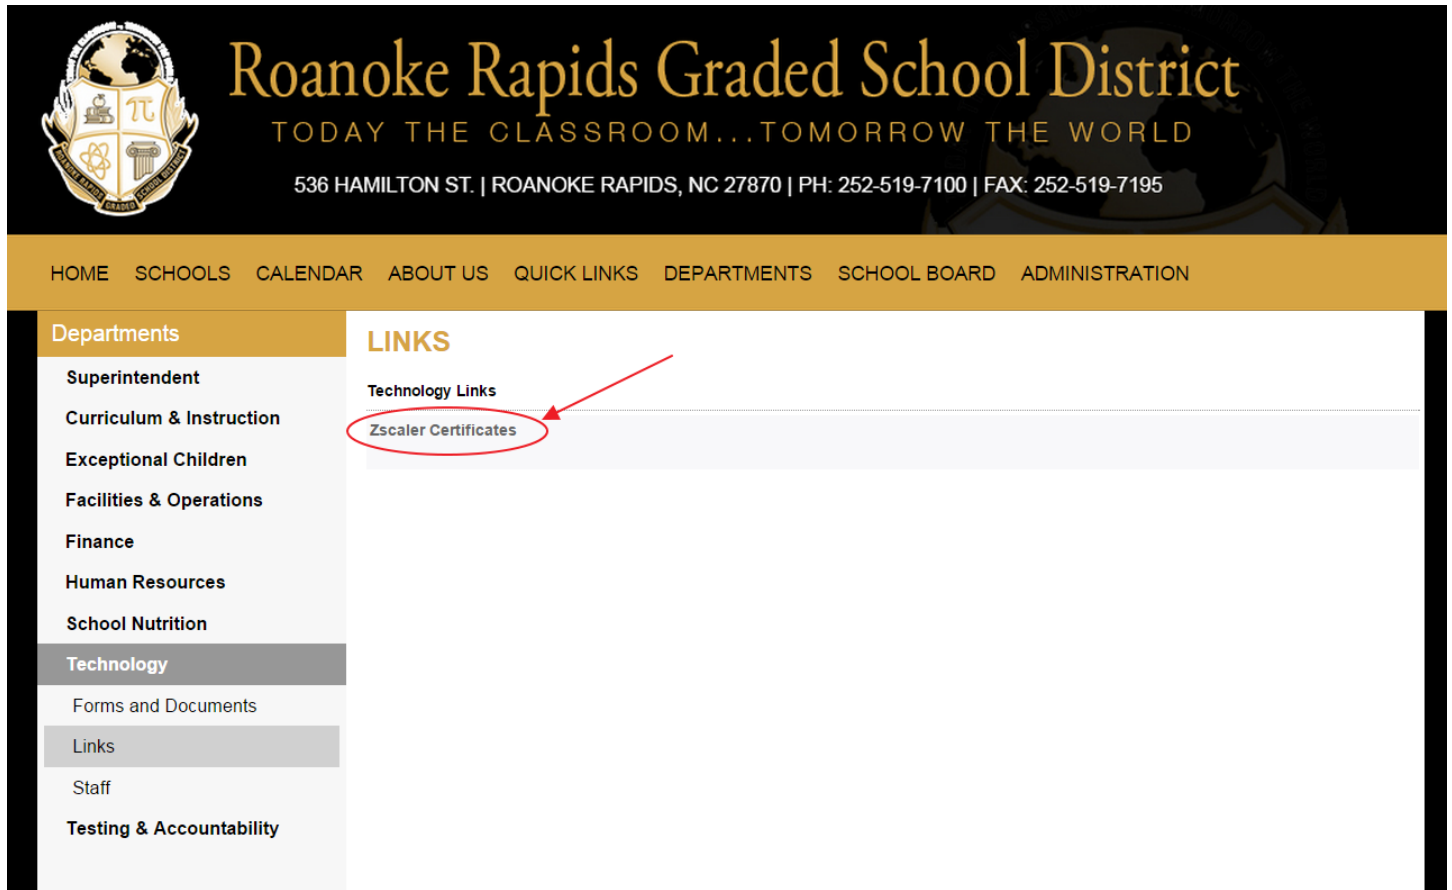

1. Open Firefox and go to www.rrgsd.org and find the Technology Department page.

2. Click on “Links”.

3. Click on the “Zscaler Certificates” link.

The screenshot shows the website header for Roanoke Rapids Graded School District with the tagline "TODAY THE CLASSROOM...TOMORROW THE WORLD" and contact information. Below the header is a navigation bar with links for HOME, SCHOOLS, CALENDAR, ABOUT US, QUICK LINKS, DEPARTMENTS, SCHOOL BOARD, and ADMINISTRATION. A left sidebar lists various departments, with "Technology" selected. The main content area is titled "LINKS" and contains a "Technology Links" section where "Zscaler Certificates" is circled in red and pointed to by a red arrow.

4. Click on the “ZscalerRootCertificate-2048-SHA256-(new).crt” file.
