Dear Parents, Community Members and Staff,

The RSU #38 Board of Directors has started their budget meetings, preparing for the FY 2021 school year.

I encourage you to attend the budget workshop meetings (listed below). It is important that the Board hear from citizens as they work to develop a budget that focuses on ***“Promoting student success in all areas, as we strive for academic excellence while maintaining fiscal responsibility.”***

All information disseminated at the budget meetings will be posted on the RSU #38 budget website page <https://www.maranacook.org/o/rsu-38/page/fy-21-budget-documents>. In addition, the budget workshop meetings are recorded and will be available for viewing on this website. I encourage you to review the information provided and to forward any questions you may have pertaining to the budget by clicking on the “Submit Budget Questions or Comments” link, or by emailing me directly at [jay\\_charette@maranacook.com](mailto:jay_charette@maranacook.com).
