

**Wondering where to find free healthy meals for your children throughout the summer?**

You may use one or more of the following resources to find your nearest location:

- Locate a site on the [Summer Meals Map](#) (the map will be updated weekly throughout the summer)
- Call 2- 1-1
  - 2-1-1 is a free, easy-to-remember phone number connecting callers with health and human services in their community.
- Text 'food' to 877-877
