School Description

Located in Crows Landing, California, we are one of six traditional schools in the Newman-Crows Landing Unified School District. We are also the smallest of the four elementary schools in the district. We have 149 students. 5.5% are English Learners, 54% are low socioeconomic, and less than 7% are special education students. The small student body provides parents with a greater opportunity for personal involvement in their child's education. The staff at Bonita Elementary School is committed to creating and maintaining an orderly, trusting, and caring environment. All aspects of the school's organization, curricular, and co-curricular activities are child-centered and designed to accommodate individual learning styles so that all may experience success and continue life-long learning. The Bonita Learning Community believes that all learners must become:

- Effective Communicators who will use verbal, written, artistic and technological forms of communication to give, send and receive information.
- Inspired Learners who are accountable for demonstrating, assessing, and directing their present and life-long intellectual growth.
- Productive Workers who perform collaboratively and independently to create quality products and services that reflect personal pride and responsibility.
- Responsible Citizens who have a global and multi-cultural perspective, and who take the initiative for improving the quality of life for self and others.
- Resourceful Thinkers who independently and creatively strive to solve complex problems through reflection, risk-taking, and critical evaluation.

As we move forward this year we will focus on the following areas: Writing across all content areas, Technology Integration, Math Improvement, Facilities that are safe and welcoming, Positive Relationships with/between parents, students, staff and administration.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents have opportunities to participate as part of the Bonita Parents Club, Bonita School Site Council and as part of the District English Language Advisory Council. We encourage parents to attend 2nd Cup of Coffee, school parent nights, back to school nights, parent teacher conferences and other activities and assemblies. We also keep our website updated so that parents can use it as a resource and stay informed about academic and social events. All teachers at Bonita Elementary communicate with parents on a regular basis using Class Dojo.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Bonita Elementary has a Safe School Plan which was developed by a special committee comprised of administration, certificated staff, classified staff, and parents. The committee meets as necessary to review the appropriateness of the plan. The Safe School Plan is approved by the School Site Council and the School Board annually.

Suspensions and Expulsions

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	5.47	4.45	
Expulsions	0.0	0.1	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	99	95	95

In the past 3 year period teachers have been provided an average of 25 days of professional development. The focus has been on preparing teachers for the continued implementation of California's Math, English Language Arts, Social Studies Standards and also preparing staff for the transition to the Next Generation Science Standards. We have also focused on the integration of technology as a resource in the classroom for teachers and students. As we have faced the challenges of Distance and Hybrid Learning this year we have focused our PD in those areas. We will continue to provide professional development in the coming years as we begin to implement the new science standards and continue implement state standards.
