About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	20	N/A	25	N/A	39	N/A

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Von Renner parents are encouraged to participate in school activities with school wide programs to develop a positive, supportive relationship with the school, home, and community. They are invited to join our school site council and/or they may contact our parent engagement representative, Claudia Diaz. Our goal is to facilitate a partnership to support student achievement. The Von Renner staff communicates to parents in the following ways: school newsletters, flyers, district calendar, phone, and most frequently with teacher communication programs (Class Dojo, Artsonia, Edmodo, etc.). Parent conferences, Homework Dinners, Back to School Night, Open House, and 2nd Cup of Coffee meetings are opportunities to bridge home-school connections.

Opportunities for parent involvement include:

- School Site Council
- Migrant Education/ ELAC Parent Advisory Committee
- Site Representatives on district committees
- Second Cup of Coffee
- Parent Workshops
- DELAC
- Adult ESL Classes
- Safety Committee
- Parent Volunteer Opportunities
- PTO (Parent Teacher Organization)
- Use of Class Dojo as a parent information tool

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Von Renner provides a safe and clean learning environment for students, staff, parents, and the community. Von Renner's School Site Safety Committee is comprised of teachers, classified staff, the school administrator, and parents. The Safety committee meets three times a year. The Safety Plan is updated, reviewed and approved annually. The School safety plan was updated in September 2020 and approved by the School Board, September 14, 2020.

Student safety and supervision is a school-wide commitment and responsibility. Staff share in the responsibility of student supervision. Yard duty staff supervise students during morning recess and lunch recesses. Positive behavior intervention supports are being implemented school-wide as a measure of personal responsibility, safety, and accountability. A district School Resource Officer is available and makes regular, weekly check-ins with students and staff.

Von Renner has an active student safety patrol led by hired staff. Safety Patrol performs their duties before and after school, ensuring students enter and exit campus safely and orderly. Fire drills, earthquake drills and lock down drills are conducted regularly. All visitors report to the office and follow check-in procedures.

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3.96	4.45	
Expulsions	0.18	0.1	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.
