

The Palmyra PTA ARTIST OF THE MONTH COMMITTEE

MAKE A PAINTING FOR MOM
FRIDAY - MAY 1ST

The timing is perfect for a unique gift for Mother's Day. Students will get to participate in the making of this art - the fee is to pay for the supplies.

A Special Addition to the Palmyra Art Show at the Palmyra Community Center:

The Palmyra PTA is proud to sponsor Canvas Mixers of Collingswood for an on-site painting class. No artistic ability is necessary; these patient instructors will help you create your version of this masterpiece! The event begins at 6pm & runs until 9pm, during the break, you can view the fabulous town artwork that will be on display throughout the Community Center Auditorium.

For 35.00, paint students (or their adults) can paint a Sunny Flower-with your choice of background colors-for a Mother's Day Gift. The unique corner design allows for multiple paintings to be hung together as a family OR multiple ways to position a single painting.

The 16x20 canvas is theirs to keep & all supplies will be provided for the class. Reservations can be made thru Lisa Jablonski - 856-981-5000 or by sending this slip back to school thru Thursday, April 30th
