

INTERNET USE EXEMPTION FORM

Date: _____

Name: _____

Address: _____

Dear: _____,

This communication is in response to your request to exempt your child from the use of the Internet as part of an instructional experience.

We believe that the Internet provides valuable sources of information and powerful tools for communication. Our district guidelines for Internet access cover applicable school uses and outline responsibilities for staff and students. However, we also recognize your right to exempt your son/daughter from the use of this telecommunication network.

Sincerely,

TO: _____ Principal

FROM: _____ Parent/Guardian

DATE: _____

I wish to have my son/daughter _____ exempted from use of the Internet.
