

5th Grade Math Summer Practice Packet

The following math practice and reading assignment must be completed over the summer by each incoming 5th grader. The math packet will be turned in to your 5th grade teacher by Friday, September 6, 2013.

The packet will be graded and it will be reflected in your first marking period math grade.

5th Grade Summer Reading Assignment

- Read *Escaping the Giant Wave* by Peg Kehret
- Complete the attached book report form (both pages)
- Book report form must be handed in by Friday, September 6, 2013

Reminders

- All work and reading should be finished before Friday, September 6, 2013.
- All work will be counted towards 1st marking period reading and math averages.
- If something happens to a packet (lost, destroyed, etc.) then it is expected that you will obtain a new one from the main office and complete the work.
