

Sixth Grade Supplies

Welcome to Sixth Grade. Here is a list of the supplies you will need for your classes in September. We wanted to give this to you early so that you will be able to catch some sales and be ready for the first day of school. Also you won't be running around the first week of school trying to locate all of the materials.

Have as safe and enjoyable summer. Don't forget to read some great books during your time off.

See you in September.
