

Drop-off procedures are mapped out above. Students should not arrive to school before **7:45am**. They will not be allowed in the building and will not be supervised before **7:45am**.

*****Safety is our #1 priority*****

Pick-up procedures for OVES will remain the same as last year. The pick-up procedure is described below. ALL STUDENTS who are picked up or walk home will be dismissed from the south side of the school.

The busses will pull into the bus lane (between the building and playground) from the south.

Cars should not block the bus lane on either side (North or South).

Pick-up Procedure:

- Parents should head east on W North Street (north side of the school)
- Turn right on Elm St. (heading south)
- Turn right on Oak St. (heading west)
- Turn right into the pick-up area and wait patiently for the student.
- Supervisors will call for the student(s). Student(s) will get into their parent/guardian's car and the driver will exit the pick-up area. Then, the next car will pull up and the procedure will be repeated.
- **All parents/guardians should remain in their cars, please!**

We appreciate your cooperation and patience as we work together to keep our students safe.
