You may only choose one way for your child to go home from school.

If there are special circumstances due to work schedules or custody cases please get in contact with your child's teacher to make arrangements at the beginning of the school year.

Students will be dismissed according to this sheet every day. If a child will be leaving early or if they need to go home a different way a NOTE FROM THE PARENT is required. If we do not receive a note the child will not be released.

These are the only other people that have my parents' permission to pick me up from school or collect me off of the bus if necessary:
