FORWARD

Welcome to Okaw Valley High School. On behalf of the Board of Education, the administration, the faculty, and the staff, we would like to welcome you to another school year. We are eager to begin new traditions at Okaw Valley High School and proud to have you as a part of it.

The goal of the Okaw Valley High School is to provide you with the best possible educational opportunity. All our efforts will be made to reach this objective. In the process we would like to make this experience as enjoyable as possible.

It is recognized that no handbook can anticipate all of the questions that may arise. However, this book should serve as a valuable guide as the school year progresses. It is very important that you read and understand this book, as you are responsible for the information it contains. If at any time you have a question, feel free to ask the principal or other staff members.

When individuals make an honest attempt to be responsible, very few rules and regulations are needed. It is our hope that, with the assistance of this guide, you will enjoy your school year at Okaw Valley High School, and become a conscientious, mature citizen upon completion of your education.

SCHOOL SCHEDULE

Hours:

School hours at OVHS are from 8:00 A. M. to 3:00 P. M.

Closed Campus:

Upon arrival to the school premises, students may not leave except with the permission of the principal or for an organized activity under the direct supervision of a staff member, until the final dismissal bell. In addition, upon first entering the building, students may not exit the building except with permission of the principal or for an organized activity under the direct supervision of a staff member, until the final dismissal bell.

Leaving school without school permission or being in the parking lot without permission will result in disciplinary action. Students are to report to the principal's office to sign-out before leaving the building. Students who must go home will be expected to make that time up after school.

Arrival/Dismissal:

Students that arrive before 8:00 need to go to gym or to breakfast. When the 8:00 bell rings students may go to their first hour class. Anyone arriving after 8:10 will be considered tardy and will need to check into the office.

Supervision

No students are to be in the building without staff member approval and supervision. Students are not allowed to participate in athletic activities in the gym before or after school unless under the direct visual supervision of a faculty member or have principal approval.

ATTENDANCE POLICIES AND PROCEDURES

It is the responsibility of the parents/guardians to see that their sons or daughters are in school regularly. To accomplish the educational objectives of the school and to accommodate special family needs, attendance policies and procedures have been developed. The school district operates under the authority, policies and laws set forth in the School Code of the State of Illinois.

The school day begins at **8:10** a.m. and ends at 3:00 p.m. Punctual and regular school attendance is the joint responsibility of the student and his/her parent(s) and/or guardian(s) and is extremely important if the student is to make the most of the educational opportunities available. In accordance with Illinois State compulsory attendance laws, high school students **MUST** attend school for three hundred (300) minutes per day. Therefore, if a student misses **SIXTY-ONE (61)** minutes during the school day, he/she will be considered absent one-half (1/2) day.

Absences

EXCUSED ABSENCE or EXCUSED TARDY: absences that are reported to the high school office by a **parent** the day of the absence and are justifiable as defined in the Illinois State School Code and therefore excused for make-up work providing no more than **TEN** days excused or unexcused have been used:

Some examples:

Anticipated absence- approved as excused by principal

Illness – without going to the doctor

Medical & dental appointments - without doctor's note

In addition to the TEN days:

Death in the family – 2 day bereavement

Medical & dental with doctor/dentist note (turned in within two days of absence)

Vacation with **immediate** family with anticipated absence approved & turned in **prior** to vacation. (**1** per year with a **five** school day limit)

UNEXCUSED ABSENCES or UNEXCUSED TARDIES: Missing classes for lack of sufficient reason will constitute an unexcused absence. *Unexcused absences count toward the maximum **TEN** day absences. Some examples but not limited to:*

Truancy
Shopping
Hair appointments
Birthdays or other celebrations
Working at home
Working at a job
Baby-sitting
Running late/car trouble - principal discretion

If the High School office has not received a phone call from the student's parent/guardian on the day of the absence, the student's absence will be considered **unexcused**.

Assignments/Quizzes/Tests:

In the event of an unexcused absence: Students will be permitted to make-up homework/quizzes/tests and will receive 50% of the total points.

Tardy:

Students are expected to be in class before the 8:10 bell. Those students that are not in school by the 8:10 bell are considered TARDY and are expected to sign-in in the High School office BEFORE going to class. Note: The school will not excuse the tardy by receiving a parent phone call to excuse a student for oversleeping, missing the school bus, car trouble, shopping, missing one class to prepare for another or transportation problems. Decisions regarding special situations will be made by the building principal or designee.

Anticipated Absence forms

Anticipated absence forms need to be completed if your student knows in advance that he/she will be absent from school. Reason for absence, length of absence and signature of Principal must be completed **BEFORE** parent signature. This ensures that parent is aware of absence being EXCUSED or UNEXCUSED. Not all anticipated absences are excused absences. Once signed, the student will then take the form around to his/her teachers for signatures & homework assignments. Pre-arranged family vacations and out of town trips are limited to 5 days. Also take into consideration how many absences your student already has as the anticipated absence, whether excused or unexcused, will count towards the 10 allowed. If you have a question whether or not the absence will be excused please call the High School office.

College Day:

Juniors/Seniors can attend college/or career visits providing a completed and approved anticipated absence form has been turned in to the High School office prior to the visit. The student must present a signed letterhead from the college/university or organization visited. All college/career visits must be **completed prior to May 15th** of the current school year. Failure to meet these guidelines will result in an un-excused absence and forfeiture of future college/career visits.

Absences-after school activities

In order for a student to be able to participate in after school activities, the student must be in school at least one-half day immediately preceding the activity. In addition, students are expected to be in attendance daily, including days after contests. Participants who are absent may be withheld from participating in their next contest.

Eligibility to Attend After-School Activities

- Students must attend school the half-day immediately preceding the after-school activity. Non-attendance day activities which begin at noon or later are exempt. Non-attendance day activities begin with the departure of the bus from the school.
- Anticipated absences will not generally exclude the student from participation in after-school activities. The half-day absence from school must be an excused absence such as a doctor or dental appointment, death in the immediate family, funeral, etc. Participation will be at the discretion of the building principal.
- Disciplinary action may be a one or more performance suspension.
- Attendance at school award/recognition ceremonies shall be at the discretion of the building principal.
- Un-excused absences will exclude the student from participation in the activities.
- Only students enrolled on a full-time basis as of the date of the event may attend Homecoming and/or Prom. (Early graduates may attend). Guests of the OVHS students must also be enrolled at OVHS or another high school and/or be under the age of 21. Any Okaw Valley student who has dropped out of school during the semester of Homecoming or Prom will **NOT** be allowed to attend the activities and dance for that semester. Any exceptions must be approved by the principal. Forms for requesting exceptions may be obtained in the High School Office and must be completed and submitted in advance of the event.

CONDUCT AND DISCIPLINE

Discipline Policies and Procedures

Discipline Code

Any known violations of school rules shall be reported immediately to the school authorities. Cause for disciplinary action shall not be limited to the items listed in this handbook. Students are to conduct themselves in a proper manner at all times when they are on school property or attending any programs or activity under school sponsorship. Misconduct that is school-related but does not occur on school property also comes under the jurisdiction of school authorities. Therefore, abusive actions, language, or vandalism toward a school employee or his/her property may be considered a cause for the school district to take disciplinary action. Any teacher is authorized to send students from class for misbehavior when their presence in the classroom becomes detrimental to the learning and/or instructional process in that classroom. The high school principal is authorized to handle all matters pertaining to student discipline. Accumulated combined violations of the following rules which other disciplinary measures have failed to deter, may result in suspension and/or expulsion from school. Suspensions may be used after three (3) detentions or for major infractions.

Communication Devices:

Cellular Phones

Use of cellular phones is permitted during the school day. Phones should be off and out of sight during class time unless instructed otherwise by a teacher or staff member. Additionally, phones are allowed in the halls and at lunch. Phones can be taken away for inappropriate use and other behavioral issues.

Cellular phones shall not be used for or associated with unlawful activities. All liabilities for loss or theft of cell phones shall rest with the student.

Electronic Paging Devices

Pagers, beepers and other similar electronic signaling devices and two-way radios are strictly prohibited on school grounds, in school vehicles, or at school functions, at any time. Any use, display or possession of two-way radios, pagers, beepers or other similar electronic signaling devices may result in disciplinary action of up to 10 days out of school suspension.

Minor infractions

The following are considered minor infractions that are managed by the classroom teacher:

- Inappropriate Language
- Physical Contact/PDA
- Defiance/Disrespect
- Non-Compliance
- Disruption
- Property Misuse
- Tardy to Class
- Dress Code

Students violating a minor infraction will receive an Office Discipline Referral for the infraction. The accumulation of 3 minor infractions will result in assignment of a major infraction and assigned disciplinary action. A conference with the student will take place by the classroom teacher or the principal on each minor infraction. Minor infractions accumulate the entire school year and do not begin at "0" beginning the new semester. Tardies do begin at "0" beginning the semester.

Major infractions

The following are considered major infractions that will be referred to the building administrator:

- Abusive/Inappropriate Language

- Fighting/Physical Aggression
- Defiance/Disrespect/Insubordination
- Harassment/Tease/Taunt
- Disruption
- Skipping Class/Truancy
- Failure to Serve a Detention or Suspension
- Computer Violation
- Cell Phone Violation
- Lying/Cheating
- Tobacco
- Alcohol
- Drug
- Forgery/Theft
- Weapon Possession
- Vandalism

Major infractions will be assigned at least a noon detention, and may be assigned an after school detention, Saturday School, AER (Alternative Education Room), suspension, or expulsion depending on the severity of the infraction, and/or prior disciplinary actions employed.

- Administrators may make supplemental rules not directly stated in this document when special situations occur.

Gross Misconduct:

Section 10-22.16 of the Illinois School Code gives the Board of Education, the District Superintendent, and the Building Principals the power to suspend or to expel a student “guilty of gross disobedience or misconduct.”

Disciplinary action may be taken against any student guilty of gross disobedience or misconduct, including, but not limited to, the following:

- Using, possessing, distributing, purchasing, or selling tobacco materials.
- Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence are not permitted to attend school functions and are treated as though they had alcohol in their possession.
- Using, possessing, distributing, purchasing, manufacturing, or selling:
 - any illegal drug, controlled substance, or cannabis (including marijuana and hashish);
 - any anabolic steroid not administered under a physician’s care and supervision;
 - any prescription drug when not prescribed for the student by a licensed physician

or when used in a manner inconsistent with the prescription or prescribing physician's instructions;

- any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or (b) represents to be capable or, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.

- "look-alike" or counterfeit drugs, including a substance not containing an illegal drug or controlled substance, but one: (a) that a student believes to be, or represents to be, an illegal drug or controlled substance; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or implicitly represented to be an illegal drug or controlled substance;

- drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.
Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance in their possession. Expulsion may be recommended by the building principal to the School Board.

- Using, possessing, controlling, or transferring a weapon in violation of the "weapons" section of this policy. (See "Weapons", page 20). Expulsion will be for at least one year, but shall not exceed two calendar years.

- Using or possessing an electronic paging device. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules is prohibited. Unless otherwise banned under this policy or by the building principal, all electronic devices must be kept powered-off and out of sight during the regular school day unless: (a) the principal, or designee grants permission, (b) use of the device is provided in the student's IEP, or (c) it is needed in an emergency that threatens the safety of students, staff, or other individuals.

- Using or possessing a laser pointer unless under a staff member's supervision and in the context of instruction.

- ❑ Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
- ❑ Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, and wrongfully obtaining test copies or scores.
- ❑ Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to another or any urging of other students to engage in such conduct. Prohibited conduct includes the use of violence, force, noise, coercion, threats, intimidation, fear, harassment, hazing, or other comparable conduct. (See Aggressive Behavior in Miscellaneous Information section.)
- ❑ Causing or attempting to cause damage to or stealing or attempting to steal, school property or another person's personal property.
- ❑ Being absent without a recognized excuse; State law and Board policy on truancy control will be used with chronic and habitual truants.
- ❑ Being involved with any public school fraternity, sorority, or secret society, by being a member, promising to join, pledging to become a member, or soliciting any other person to join, promise to join, or be pledged to become a member.
- ❑ Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
- ❑ Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, and hazing.
- ❑ Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Maintenance of Discipline:

School administrators and teachers have an important responsibility in assuring that individual conduct does not intrude upon and endanger the rights of other students to learn.

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. Teachers will enforce school and classroom rules as outlined in this section of the handbook. When the desired

outcomes are not achieved through teacher intervention, a Referral Form will document the problem and the student becomes subject to office disciplinary measures.

The school may suppress classroom activities and/or projects which are vulgar, lewd, obscene, plainly offensive or may be disruptive to the educational process. Students involved in these activities and/or projects will face disciplinary action.

Removal from Class

Students that exhibit behavior which is not conducive to the educational process will be "removed from class". On a semester basis, the following procedure will be used when a student is "removed from class":

- First offense - A conference with the student, teacher, and administrator may be conducted. The student may receive no credit for the class period that day and a 3 hr Saturday detention may be assigned.
- Second offense - A conference with the student, teacher, parent, and administrator will be conducted. The student will not receive credit for that class period.
- Further Offenses - Additional instances of removal from class could result in the removal of a student from the class for the remainder of the semester.

Imposition of Discipline:

School personnel may impose discipline in instances of student misconduct whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

- On, or within sight of, school grounds before, during, or after school hours or at any other time;
- Off school grounds at a school-sponsored activity, or event, or any activity or event which bears a reasonable relationship to school;
- Traveling to or from school or a school activity, function or event; or
- Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Corporal Punishment

Corporal punishment shall not be used. Corporal punishment is defined as slapping,

paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. No physical activity shall be used as punishment or as a consequence for any reason.

Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or the defense of property.

Due Process

Prior to imposition of discipline for violations of school rules/regulations, students will be afforded due process, including notice of the alleged violation and an opportunity to offer an explanation of the facts.

Although it is the goal of the school to maintain fairness for all students, at times there may be legitimate differences of opinion between a student and a staff member. In the case of a student or parental complaint, the school principal shall be the first recourse. The next step shall be the district superintendent. The Board of Education will extend to students their full rights as provided by law.

Disciplinary Measures:

When breaches of school disciplinary rules and regulations occur, it is the responsibility of involved teachers and administrators to work with the student, his or her parents and other support personnel to help the student correct his or her behavior. All disciplinary actions shall be directed toward protecting the welfare of the school community as well as helping the student develop self-discipline. When determining the response for a specific breach of discipline, school personnel will consider the nature of the act, the student's previous school history, his or her age and maturation, any mitigating circumstances, and the effect of his or her actions on the welfare of the school community. Disciplinary responses may include but are not limited to the following:

- Reprimanding
- Withholding of privileges
- Seizure of contraband
- Personal counseling
- Behavior contract
- Alternative Program (tutoring, small group instruction)
- Notification of Parent(s)/Guardian(s)
- Temporary removal from class
- Referral to administration
- Disciplinary conference

- Detention* (morning, noon, or after school not to exceed 60 minutes per session) or Saturday Study*
- Alternative Education Room* (AER - In-School Suspension) for a period not to exceed five (5) days
- Suspension* from school and all school-sponsored events for up to ten (10) days
- Suspension of bus riding privileges
- Activity suspensions*
- Expulsion* from school and all school-sponsored activities and events for a definite time period not to exceed two calendar years.
- Notification of juvenile authorities or other law enforcement whenever the conduct involves illegal drugs (controlled substances), look-alikes, alcohol, or weapons.

Detentions:

Detentions may be assigned to coincide with Tuesday/Thursday Homework Help sessions. Students will serve 60-minute detentions 3:00-4:00 pm with the school administrator.

Classroom: A classroom detention is one given by a teacher for classroom misconduct. This detention does not go into the office detention records. Failure to serve a classroom detention will result in the assignment of a Saturday Detention.

Lunch-time: Students who are sent to the principal's office for classroom misconduct may be given noon hour detentions(s). Students who receive a lunch-time detention will report to the assigned area at the start of their lunch period, arriving before the tardy bell. Students will be escorted to the cafeteria to purchase a lunch or they may eat a sack lunch. Students will eat alone without talking and will remain in the detention area for the entire period.

Saturday: Saturday detentions may be assigned by the principal or dean for classroom or school-wide misconduct. The Saturday detention begins at 8:00 am and will not extend beyond 11:00 am. During Saturday detentions, students are expected to work on their academic work.

Failure to attend Saturday Detention will result in the following: First Offense: Assignment to AER - all work completed and turned in will receive 60% credit; Second Offense: Assignment to AER - all work completed and turned in will receive 25% credit; Third Offense: Out of School Suspension.

In all instances the student will be expected to make-up the missed Saturday Detention.

Missed Detention: Teachers may require students to make up time with them before school, during lunch, or after school for misbehavior, tardiness, or make-up work.

Activity Suspension

An activity suspension prohibits a student from participating in and attending activities outside the classroom (i. e., assemblies, sports events, field trips, etc.). Activity suspensions may be issued by the principal to students with repeated poor behavior, multiple failing grades or other misconduct.

A.E.R. (Alternative Education Room)

The Alternative Education Room (AER) is used as an alternative to out-of-school suspension (OSS). AER will rarely, if ever, be offered as an alternative to OSS for acts of excessive violence, drug/alcohol incidents, other criminal behaviors, or incidents of gross misconduct.

The AER is designed to keep students in their instructional setting as opposed to OSS, and yet impose a negative consequence to violators of school policy. Alternative AER assignments may include a one hour late stay, restriction from lunch time, or time before school. The following guidelines will be observed:

- Upon receiving an AER assignment, the student will report to the AER with all books, pens/pencils, and paper when he/she arrives at school. Teachers will send assignments to be completed to the AER.
- The student will remain busy at all times, even if all homework is completed. If the student has nothing to do, the AER supervisor will assign additional work.
- All assigned work done in AER will receive 60% credit and should be returned to the AER supervisor as it is completed. The teacher's name should be printed at the top of each page.
- Students are to be QUIET AT ALL TIMES, remain seated in their desks, and raise their hand for help with homework or to use the restroom.
- Restroom use will be on an emergency basis only. Breaks will be provided.
- All students in the AER will go to the cafeteria outside of the regular lunch hour and students will eat in the AER. No talking or horseplay will be tolerated.
- Since AER is an alternative to OSS, students will respect all other individuals in the AER by following all rules and demonstrating appropriate behavior.

A student who is tardy, disruptive, unprepared, or fails to make satisfactory progress toward completion of assignments may be assigned another day in the AER. Should such behavior be repeated, the student may be suspended from school (OSS) for up to ten days per occurrence.

Suspension Procedures

The following are suspension procedures:

- Before suspension, the student shall be provided a conference during which the charges will be explained and the student shall be given an opportunity to respond to the charges.
- A pre-suspension conference is not required and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.
- Any suspension shall be reported immediately to the student's parent(s)/guardian(s). A written notice of the suspension shall be sent by registered mail and shall state the reasons for the suspension, including any school rule which was violated, and a notice to the parent(s)/guardian(s) of their right to a review of the suspension. A copy of the notice shall be given to the School Board.
- Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the School Board or a hearing officer appointed by the Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate.

During the period of suspension:

- Students shall not be allowed on school property or at school activities during the period of suspension.
- Students who are absent from school shall not be permitted to attend "work" that same day. Students who violate this policy shall receive an un-excused absence for the classes they missed that day and their employer shall be notified of such action.
- Students will be permitted to make-up tests and quizzes and will receive 60% of the total points earned.
- Students will receive full credit for assignments that were assigned prior to the suspension and should have been turned in on the day/days gone (i.e. if a student

is suspended for Wednesday and Thursday, full credit will be given for the assignments that were due and should have been turned in on those days). The assignments must be turned in to the teachers the day the student returns from the suspension in order to receive full credit.

- ☐ Students will receive a zero for any assignments that are assigned the day/days they are serving the suspension (i.e. if a student is suspended for Wednesday and Thursday, no credit will be given for assignments assigned on those days). Students are still encouraged to make up assignments given.

Expulsion Procedures

The following are expulsion procedures:

- ☐ Before expulsion, the student and parent(s)/guardian(s) shall be provided written notice of the time, place, and purpose of a hearing by registered or certified mail requesting the appearance of the parent(s)/guardian(s). If requested, the student shall have a hearing, at the time and place designated in the notice, conducted by the Board or a hearing officer appointed by it.
- ☐ During the expulsion hearing, the student and his/her parent(s)/guardian(s) may be represented by counsel, present witnesses, and other evidence and cross-examine witnesses. At the expulsion hearing, the Board or hearing officer shall hear evidence of whether the student is guilty of the gross disobedience or misconduct as charged.
- ☐ After presentation of the evidence or receipt of the hearing officer's report, the Board shall decide the issue of guilt, hear evidence on whether expulsion is appropriate, and make its decision.

During the period of the expulsion students shall not be allowed on school property or at school activities.

Miscellaneous Discipline Information:

Alcohol, Drugs, Hazardous Material, and Tobacco

The use, possession, sale, manufacture, delivery, transfer, distribution and/or being under the influence of alcohol, hazardous materials, tobacco, or unauthorized drugs in any form by students is forbidden on school premises (including school buses) and/or any school function. Sanctions (consistent with local, State and Federal law) up to and including expulsion and referral for prosecution, will be imposed on students who violate these standards of conduct. Students that violate this provision will be subject to a minimum suspension of three days.

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or consent of the school. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

*For the purpose of these rules, "hazardous material" is any material deemed unsafe to persons or property in or on school property.

Defiance of Authority

Students are to respond or carry out in a timely manner reasonable requests by staff members. Failure to do so will result in disciplinary action.

Dishonesty

Dishonesty includes lying, cheating, deceiving, etc. Students who engage in any of these behaviors will be subject to disciplinary action.

The act of fraudulently using in writing, the name of another person or falsifying times, dates, grades, addresses, or other data on school forms is prohibited. Possession of school forms unless authorized by a school official is prohibited.

Dress

Daily appearance is important and we are very proud of the general appearance of our students. Okaw Valley High School recognizes that everyone has his/her own style. However, certain guidelines must be observed for the safety of the individual and others and to insure that the educational process is not disrupted.

Any student whose appearance and/or dress are considered to be disruptive to the educational process or dangerous to the student or others will be sent to the High School office and he or she will be provided an appropriate clothing to wear. Students that go home to make the necessary adjustments will be unexcused for the duration of the time they are gone. That time spent away from school will be made up in after school detention and disciplinary action may be taken. Therefore, students should observe the following guidelines regarding clothing and other apparel:

- Clothes are to be clean and neat.
- Clothing or other items which mention, suggest, and/or imply the participation and/or promotion of sex, alcohol, drugs, tobacco, gangs (and/or gang activities) or other disruptive and unacceptable behavior are not permitted on school

- property or at a school-related function.
- ☐ Students are not permitted to wear clothing that is obscene or distracts from the educational setting. Garments or accessories shall not contain implied offensive language or material, nor display lewd, vulgar, obscene, or offensive language or symbols, including gang-related symbol.
 - ☐ Some examples of clothing/accessories which are not acceptable include: clothing with holes that distracts from the educational setting; clothing made of transparent, fishnet or mesh fabric; tops with straps that are less than “two fingers” wide; oversized, extremely baggy or improperly fitting clothing; wallet or pocket chains.”
 - ☐ Clothing should cover students from shoulder to mid-thigh at all times. Tops must cover the pant, short, or skirt waistband.
 - ☐ Apparel which could be considered dangerous or a safety or health hazard is not to be worn. (Apparel includes clothing, shoes, jewelry, and other accessories).
 - ☐ Hats, head scarves, hoods, bandannas, sweatbands, and sunglasses shall not be worn in the building except if required in class for safety purposes or medical reasons.
 - ☐ Outerwear (including coats, jackets or any outer garments worn over indoor clothing for protection from the elements) can only be worn in the building with permission from the principal. This permission will only be granted on extremely cold days.
 - ☐ Shirt and shoes must be worn at all times.

Since it is not possible to list all infractions of this rule, it will be the responsibility of the faculty and administration to determine what is inappropriate. Clothing, determined by the faculty or administration, to be offensive to a wholesome atmosphere in the school, will be handled as follows:

1st Offense - Student will be sent to the office; verbal warning will be given; clothing will be turned inside-out or changed.

2nd Offense - Student will be sent to the office; parent(s) will be contacted.

3rd Offense - Student will be sent to the office; a Saturday detention will be assigned.

Subsequent offense - Up to 2 days AER may be assigned for each subsequent offense

Students engaging in any gang-related activity will be subject to disciplinary action.

Bullying

1. Physically, emotionally, or mentally harming a student;
2. Damaging, extorting, or taking a student's personal property;
3. Placing a student in reasonable fear of physical, emotional, or mental harm;
4. Placing a student in reasonable fear of damage to or loss of personal property; or

Students engaging in hazing will be subject to disciplinary action.

Leaving School

Leaving school without school permission or being in the parking lot without permission will result in disciplinary action. Students are to report to the principal's office to sign-out before leaving the building. Students who fail to sign-out will be considered truant. Students who must go home will be expected to make that time up after school. Any high school student leaving the campus without permission will receive disciplinary action.

Look-Alike Substance

A look-alike or counterfeit drug is defined as a substance not containing an illegal drug or controlled substance, but one (a) that a student believes to be, or represents to be, an illegal drug or controlled substance, or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or implicitly represented to be an illegal drug or controlled substance.

Misconduct with a Substitute Teacher

Any student sent to the office by a substitute teacher or misbehaving during class with substitute teacher will receive a 3-hr Saturday detention.

Possession

The term "possession" includes having control, custody, or care, currently or in the past,

Property Damage

Students who destroy or vandalize school property or property belonging to others will be required to pay for losses or damages. If students willfully destroy school property, suspension and subsequent expulsion could result. If a student should accidentally damage something, he/she should report it to a teacher or the school office immediately.

Public Display Of Affection

Socializing in school does not include intimate expressions of physical attraction. This is considered inappropriate conduct and is subject to school discipline.

Search and Seizure

To maintain order and security in the schools, school authorities are authorized to conduct searches of school property and equipment, as well as of students and their personal effects. The Superintendent, or designee, may request the assistance of law enforcement officials to conduct inspections and searches, including searches conducted through the use of specially trained dogs.

If a search produces evidence that the student has violated or is violating either law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities. (See Search and Seizure in the Miscellaneous Information section for additional information.)

Stealing

The act of dishonestly acquiring the property of the school or property of others is prohibited.

Vandalism

Students who destroy or vandalize school property or property belonging to others will be required to pay for losses or damages. If students willfully destroy school property, suspension and subsequent expulsion could result. If a student should accidentally damage something, he/she should report it to a teacher or the school office immediately.

Weapons

A "weapon" means possession, use, control, or transfer of (1) any gun, rifle, shotgun, a weapon as defined by Section 921 of Title 18, United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Act, or use of a weapon as defined in Section 24-1 of the Criminal Code, (2) any other object if used or attempted or intended to be used to cause bodily harm, including but not limited to, knives, brass knuckles, billy clubs, or (3) "look alike" of any weapon as defined above. School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or consent of the school. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

ACADEMIC RULES AND POLICIES

Academic Eligibility

- All high school students who participate in extra-curricular activities - competitive and non-competitive - must be passing (D) in all subjects to be eligible to participate in those activities.
- All IHSA rules will be followed where applicable.
- Additional restrictions may be made concerning in-school privileges.
- Ineligibility does not excuse attendance from practice and contests unless excused by the sponsor.
- Ineligibility starts on Monday morning at 12:01 a.m. and goes through Saturday night 12:00 midnight.
- High School students or athletes will be put on a warning list the first week they are failing a single class. The second week in a row that they are failing the same class they will be ineligible.

If an athlete, or anyone participating in a co-curricular activity, fails more than a single class, he/she will be ineligible for the following week. A student who fails two classes must be passing both classes before regaining eligibility status.

Academic Warning List:

The names of students receiving "D's" and "F's" will be given to the athletic director/guidance counselor weekly. The athletic director/guidance counselor will compile three lists: one for "D" students, one for first week "F" students, and one for ineligible students. These lists will then be distributed to the teachers/coaches each week as well as displayed in the main hallways with students grades listed next to their STI student numbers.

While on the warning or ineligibility list, a student has a joint responsibility with his/her teacher(s) to meet and determine a course of action (such as tutoring) to improve his/her academic standing. A student's improvement in academic standing will be monitored by the athletic director. Failure to make satisfactory progress may result in the student becoming ineligible by recommendation of the principal.

Field Trips/Class Trips

Any student whose name appears on the ineligibility list may not be allowed to participate in a field trip that is "non-academic" (non-class related) in nature. The final decision will be made by the principal. No non-educational field trips will be allowed on school days.

Class Meetings

Whenever possible, all class or group meetings should be scheduled a week in advance. This is to insure that all classes, organizations, groups, and the principal's office have time to prepare for the meeting. All meetings must have the consent of the sponsor, advisors, and the principal. The principal will make any final decisions on groups which have a conflict of time, place, etc. The meetings will be posted in the daily bulletin. Exceptions will be allowed with the principal's permission. **Any student** that is on the D/F list cannot attend home room meetings and/or leave the home room classroom without a previously written pass to another teacher's classroom to get additional homework help.

FEES

Annual Extra-Curricular Fee

Payment of the fee must be made prior to the first official contest and is non-refundable after the first official contest. Students participating in non-credited extra-curricular programs will be assessed an annual fee as established by the Board of Education. Organizations included are Athletics, Bass Fishing, Cheerleading, and Scholastic Bowl.

Book and Materials Fees

- Book /workbook/materials fees vary from year to year and are published in the local newspaper prior to the beginning of school. These fees are collected at the

- time of registration by the Principal's office.
- ☐ Dual Credit (Lake Land College Classes) are charges per fees set by Lake Land College. These fees are collected at the time of registration by the Principal's office.
 - ☐ Charges for damaged or lost books, materials, and/or equipment are based on the repair or replacement cost of such items.

Cafeteria:

To purchase a meal in the cafeteria, students need to see the High School secretary in the mornings or make other arrangements. E-pay is now available for your convenience and may be used to pay for lunches online. Meals may not be charged for more than one day unless PRIOR arrangements are made in the school office. In no instance will charges be allowed to exceed the maximum allowable credit established. Lunch balances will be posted in the cafeteria every Monday. Students are expected to check their balance at the beginning of the week and to notify parents accordingly. Students must bring a lunch or pay the full cash price for the meal. Families meeting income guidelines are eligible for free or reduced price breakfasts or lunches. Application will be made available at registration and may be obtained in the school office at any time during the school year.

Driver Education

A student must pass eight classes in the previous two semesters in order to enroll in the driver's education class. Each student enrolling in the driver's education class will be charged a fee of **\$60** for the driving phase of the class. For students out of district summer school class is **\$100.00**.

Fees-special events

In order to participate at special events/field trips that require any type of fee to participate, all fines/registration fees/lunch balances must be paid before the student can attend.

Non-educational class trips will not be allowed. Non-educational, non-competitive, overnight trips will not be allowed.

Cheating and Plagiarizing

All work submitted for credit in any class is expected to be the original work of the student submitting it. If work is not the original effort of the student, that student may be found guilty of cheating or plagiarism.

Cheating - Cheating can include copying another student's work or computer files or allowing work or computer files to be copied by another student. Cheating can also include illegal notes or "cheat sheets" or in any way obtaining answers for questions from an outside source in a test-taking situation.

Plagiarism - Plagiarism occurs when material is presented as though it is original, when it actually comes from an outside source. Plagiarism is stealing another person's ideas about a subject, his or her method of presenting or organizing ideas, or the actual work itself. Plagiarism includes the following:

- Failure to identify with quotation marks, words or symbols copied from another source;
- Failure to note in a footnote or a phrase the author and/or the source of material used in writing or speaking;
- Failure to provide a bibliography for a written or an oral report that requires research;
- The use of another source's ideas or plan as the basis of a project, report, or composition;
- The use of another person's words or ideas as one's own for homework, speeches, themes, poems, musical compositions, art work, projects, and the like.

A student found guilty of cheating or plagiarism shall receive a "0" for the assignment, test, quiz or project. The "0" will be averaged into the semester grade, make-up privileges shall not be granted. When cheating and plagiarism constitute a deliberate act of deception the student's parent/guardian will be contacted and a 3 hour Saturday detention shall be assigned. A student guilty of plagiarizing a course requirement (i.e. Term Paper) risks loss of credit for the semester. Repeated offenses will result in more severe disciplinary action.

Class Rank and Scholarship Average

In many instances the "class rank" of a student determines whether or not a student may be admitted to a specific college and/or is eligible for scholarships. Class rank is determined by computing each student's cumulative grade point average (GPA) in a particular class, and then "ranking" these grade point averages from highest to lowest. Example, if a class had 40 members and one student's grade point average is 3.60 and 12 students in the class have averages higher than 3.60, but all others have averages below 3.60, then that student's rank would be 13th out of 40 or 13/40.

Class Standings

Class standing will be determined by number of credits obtained. A student must

obtain a minimum of 4 credits at the end of their freshman year to be classified as a sophomore; a minimum of 12 credits by the end of their sophomore year to be classified as a junior; and a minimum of 20 credits at the end of their junior year to be classified as a senior. Students must obtain a total of 30 credits in order to graduate.

Class standing of students who transfer into the district will be determined on a case by case basis according to the number of credits earned/credits required at the previous school.

If a student does not have enough credits to be classified at the next grade level, the student will not progress with their class to the next homeroom grouping.

Students may have an opportunity to access a credit recovery as well as AP program "**APEX**". Access will be determined by grade level and attendance rate (*students with less than a 90% attendance rate will not qualify*) to facilitate graduating with one's classmates. The cost to access the credit recovery program is \$200 and a waiver may be obtained with the permission of the building principal. AP fees will be the sole responsibility of the student and/or legal guardian and must be paid as followed: **\$50.00 non-refundable** down payment with balance due prior to starting.

Grading System

- Grades A, B, C, D, and F will be used by all teachers.
- In figuring grade point averages an A = 4 points, B = 3 points, C = 2 points, D = 1 points, and an F = 0 points.
- All courses will be included in the GPA. GPA will be computed to three decimal places, rounded. The following courses shall be weighted with A = 5 points, B = 4 points, C = 3 points, D = 2 points, and an F = 0 points. The courses are Accounting 2, Advanced Zoology, Anatomy & Physiology, Chemistry 2, Physics, College Algebra, Calculus, Trigonometry, Statistics, General Education Math, and Spanish 4.
- "F" indicates failure. When students fail a semester of a course they receive no credit for the course, and it must be repeated if it is a required course.
- All classes in grades 9 through 12 will use the district approved grading scale.

92 - 100	= A
82 - 91	= B
71 - 81	= C
60 - 70	= D

Below 60 = F

Mid-term Report

Mid-term reports are handed out two days following the end of each **nine** week grading period. Students will receive them during lunch.

Honor Roll

Honor roll will be compiled each semester. All subjects are to be included in the honor roll averages. Students cannot be eligible for the high honor roll if they have a grade below a "B" in any subject. Students cannot be eligible for honor roll if they have a grade below a "C" in any subject. Grades will be averaged on a four point system, dropping all "+s" and "-s".

Honor roll designations will be as follows:

- Honors** - any student with an average of 3.00 - 3.49.
- High Honors** - any student with an average of 3.50 or higher.
- Straight A Honors** - any student with an average of 4.0

- One credit will be given for each class successfully completed. The following credits are required for graduation: Freshmen (class of 2019) 26 credits, Sophomores (class of 2018) 27 credits, Juniors (class of 2017) 28 credits and Seniors (class of 2016) 29 credits.

The number of credits required for graduation for students attending programs outside the district or transferring into the district will be determined on a case by case basis according to the number of credits required in the program/credits earned at the previous school.

- The required academic courses and number of credits needed are:
 - English - 4 credits
 - Math - 3 credits
 - Science - 3 credits

The student with the second best GPA will be the salutatorian. There can be co-valedictorians and co-salutatorians.
- ☐ No student may go through the graduation ceremony unless all education requirements have been completed. Students that graduate at semester may also participate in the graduation ceremony. A student with a disability who will have completed 4 years of high school at the end of the school year may participate in the graduation ceremony of his or her graduating class and will receive a certificate of completion in lieu of a diploma if the student's individualized education program prescribes special education, transition planning, transition services, or related services beyond the student's 4 years in high school.

Service Learning Program

All students at Okaw Valley High School must complete 16 hours of service as a requirement for graduation. Transfer students will have the number of hours needed pro-rated.

There will be many opportunities for all students to earn their required hours during the course of their high school career. (Ex. Corps Project) **students cannot earn hours if receiving a school grade for activity or as a requirement for the club/group they belong to.

Students who earn hours in activities that benefit an unrelated individual or specific community organization outside of the school day will be recognized for their community service activities as follows:

1. Students who receive the most Community service hours (top 10% of class) over their high school career will be awarded Service Cords to wear at graduation.
2. The student who has accumulated the top number of community service hours over their high school career will receive a \$250 scholarship**

- a. In case of a tie, the scholarship will go to the student with the most "Outside school hours" plus "service hours at school"

All disciplinary actions must be taken care of before graduation ceremonies or the senior will not be allowed to participate in graduation ceremonies. **ALL** registration and book rental fees incurred during high school must be paid before participating in **graduation ceremonies**. Parents will be notified of outstanding debt at registration and before February 1 of the current school year. Money owed beyond registration and book rental fees such as lunch fees/lost book fees/library or club fees or fines must be paid before participating in graduation ceremonies.

Heartland Academy Courses

To be eligible for classes at Heartland Technical Academy a student must have a 90% attendance rate and a GPA of at least 2.0 the previous school year. Exceptions will be made by the administration on a case-by-case basis.

Library-Media Center

- All Student-Parent Handbook policies apply in the Library-Media Center.
- The Library-Media Center will be open on a regular basis, depending on the schedule of the Librarian or Library Aide. Teachers will be provided with a copy of the schedule to post in their classrooms.
- Faculty and staff are asked to schedule class use of the Library-Media Center, in advance, on the schedule maintained by the Librarian or Library Aide. Priority will be given to pre-scheduled classes.
- A student, coming from a class or homeroom to use the Library-Media Center or the computers there, must have a pass from the teacher indicating the student's purpose. The student should present the pass to the Librarian or Aide on duty.
- A general circulation book may be checked out for two weeks, and it may be renewed one time if there is no hold list for the book. Extended renewals are up to the discretion of the Librarian, and the number of items checked out by a single student may be limited by the Librarian. NO library material should leave the Library-Media Center without being checked out.
- Reference books, magazines, and materials placed on hold by teachers for special projects may be used in the library only. Some projects may require limited check-out of magazines and reference materials, but the teacher should discuss these needs with the Librarian or Aide before making the assignment to students.
- It is the responsibility of the student to return or renew his library materials by the due date. When a book becomes overdue, if it is returned within the next week, there will be no fine charged. After the grace week, a fine of five cent a day will be charged from the due date, and if the book is not returned within three weeks of the due date, five discipline points will be given weekly for lack of responsibility. Points will also be given weekly if fines are not paid within three weeks of issue.
- A student who has lost library material will be charged for it according to the age

and the replacement price of the material. If the lost material is less than five years old, the full price will be charged. If the item is older than five years, the charge will be one half the replacement cost. A student may also be assessed a fine for damage to library material.

- The Library-Media Center will close two weeks before school is out. Students must return all materials by that date. Teachers are asked to refer to this date when scheduling reports and assignments.

In this circumstance the building principal has the authority to approve alternate plans for travel to and from the events. Such alternate plans must be in writing and signed by the parent/guardian of the student.

Bus Regulations

It is the responsibility of the Okaw Valley School Board to provide transportation to the student to and from school if he/she lives more than one and one-half miles from school. Students who live closer than this distance cannot be transported in school buses except under special conditions approved by the School Board. Homeless students shall be transported in accordance with the McKinney Homeless Assistance Act.

Student safety is a major concern of all persons responsible for student transportation. Because improper behavior on a school bus can contribute to accidents, state and local regulations must be obeyed. State law authorizes denial of riding to those students guilty of violations.

Parents are responsible for the supervision of their child until such time as the child boards the bus in the morning and after the child leaves the bus at the end of the school day. Once a student boards the bus - and only at that time - does he/she become the responsibility of the school district.

The following rules are made and enforced in the best interest of those using the buses.

- No student shall stand or move from place to place. If it becomes necessary,

- the bus driver may assign seats which must be occupied by the student assigned.

A student can be suspended from riding the school bus for up to 10 consecutive days for engaging in gross disobedience or misconduct. If a student is suspended from the riding the bus for gross disobedience or misconduct the student may be suspended for a period in excess of 10 days for safety reasons. The student's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

If a student is suspended from the bus, his/her parents/guardian will be required to furnish him/her transportation to and from school during the period of suspension.

Electronic Recordings on School Buses and High School Campus

Electronic visual and audio recording may be used on school buses to monitor conduct and to promote and maintain a safe environment for students and employees when transportation is provided for any school related activity. Notice of electronic recordings shall be displayed in the main hallway and on the exterior of the vehicle's entrance door and front interior bulkhead in compliance with State law and the rules of the Illinois Department of Transportation, Division of Traffic Safety.

Students are prohibited from tampering with electronic recording devices. Students who violate this policy shall be disciplined in accordance with the Board's discipline

Student Vehicles - Rules and Regulations

Student vehicles are under the jurisdiction of school authorities while on school property. Students who find it necessary to drive to and from school must adhere to the following

regulations:

- Students must register their vehicle and obtain a parking permit in the office. Students who drive more than one vehicle must register all of the vehicles. Failure to register a vehicle or to obtain and display a parking permit could result in the suspension or revocation of driving privileges. Students that lose an issued parking permit will be required to purchase a new one at a cost of \$3.

- The Administration reserves the right to inspect a student's car on the parking lot if there is reasonable suspicion that it may disclose dangerous or illegal articles.

EXTRA-CURRICULAR/CO-CURRICULAR INFORMATION

Extra-curricular /Co-Curricular Activities:

The Okaw Valley Schools extra-curricular programs provide a variety of experiences which contribute to a good character and a positive attitude. Extra-curricular activities function as a supplement to the academic curriculum. Extra-curricular activities provide the opportunity for lessons in sportsmanship, teamwork, and competition, and they contribute to pride in one's school. They offer opportunities to serve the school, to assist in the development of fellowship and good will, to promote self-realization and all-around growth, and to encourage good citizenship.

Extra-curricular activities are those activities which are organized and sponsored by the school district, but do not include graded courses, or classes or activities for which academic credit is received, or such special events as may be approved by the administration.

Selection of members or participants in extra-curricular activities is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Participation in co-curricular activities is dependent upon course selection and successful progress in those courses.

In order to be eligible to participate in any school-sponsored or school-supported extra-curricular activity, a student must maintain a passing grade in each course in which the student is enrolled. Any student participant failing to meet these academic criteria shall be suspended from the activity until the specified academic criteria are met.

Extra-curricular Code of Conduct:

Participation in extra-curricular activities is a privilege extended to the student body by the Board of Education. Participation is a privilege that carries with it responsibility to the school, the activity, the community, and the students themselves. Extra-curricular activities add to our school spirit and help all students - spectators and participants - develop pride in the school. Thus, students who wish to participate are subject to the rules and standards and their related consequences.

Students participating in extra-curricular activities will receive the Okaw Valley Schools Extra-curricular Code of Conduct. Participation in the Okaw Valley Schools extra-curricular programs requires the consent of the participant's parent(s)/ guardian(s). Participants and parent(s)/guardian(s) must agree to follow the Extra-curricular Code of Conduct. In addition, participants in extra-curricular programs must adhere to all rules as stipulated in the Student-Parent Handbook.

Extra-curricular participation is a privilege, not a right. Rights to education granted in the Student-Parent Handbook do not apply to extra-curricular activities, rules, or consequences.

Conflicting School Events:

If a student is scheduled to participate in two school activities whose times overlap or conflict, the teachers, coaches, or sponsors involved should cooperate so that the students may participate in both events. If this is not possible, the following guidelines will determine in which event they should participate.

- A class related activity (example: field trip, science project fair, or choir performance, etc.) will take precedence over an extra-curricular practice or performance.
- A regional qualifier that could lead to state or national levels takes precedence over a performance, competition, or game.
- A performance, contest or game takes precedence over a practice or rehearsal, and will take precedence over cheerleading participation in the event of a championship game or if failure to participate would result in forfeiture of a game.
- If two performances (contests or games) or two practices or rehearsals are in conflict, the student may choose either without penalty as long as they inform both teachers (coaches, sponsors) of their choice a day in advance. Failure to inform the teacher

(coach, sponsor) in writing, in a timely manner may result in the student suffering the normal consequence for failure to show up.

may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. As a matter of public policy, the Board of Education finds that students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Superintendent, or Designee, may request the assistance of law enforcement officials to conduct inspections and searches of locker, desks, parking lots, and other school property and equipment owned or controlled by the school for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students – School authorities may search a student and/or student’s personal effects in the student’s possession (such as purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District’s student conduct rules. The search itself must be conducted in a manner which is reasonably related to its objectives and not excessively intrusive in light of the age and sex of the student and the nature of the infraction.

When feasible, the search should be conducted as follows:

- outside the view of others, including students;
- in the presence of a school administrator or adult witness; and
- by a certificated employee or liaison police officer of the same sex as the student.

Spectator Conduct and Sportsmanship:

Any person, including adults, who behaves in an unsportsmanlike manner during an athletic or extra-curricular event may be ejected from the event the person is attending and/or denied admission to school events for up to a year after a School Board hearing. Examples of unsportsmanlike conduct include:

- using vulgar or obscene language;
- possessing or being under the influence of any alcoholic beverage or illegal substance;
- possessing a weapon;
- fighting or otherwise striking or threatening another person;
- failing to obey the instructions of a security officer or school district employee; and
- engaging in any activity which is illegal or disruptive;
- making inappropriate remarks to officials, coaches, participants, or school personnel.

Student Rights and Responsibilities:

All students are entitled to enjoy the rights protected by the U. S. and Illinois Constitutions and laws for persons of their age and maturity in a school setting. These rights include the right to voluntarily engage in individually initiated, non-disruptive prayer that, consistent with the Free Exercise and Establishment Clauses of the U. S. and Illinois Constitutions, is not sponsored, promoted, or endorsed in any manner by the school or any school employee. Students should exercise these rights reasonably and avoid violating the rights of others. Students who violate the rights of others or violate District policies or rules will be subject to disciplinary measures.

Textbooks:

Students assume full responsibility for books entrusted and assigned to them. Any item belonging to the school district that is maliciously destroyed or damaged by any student(s) will be paid for by the student(s) involved.

Vending Machine:

Vending machines are located in the hall outside the gymnasium and cafeteria. During noon hour, drinks and food purchased from these machines are not to be brought into any other part of the building except the cafeteria. Students are to place litter in the appropriate receptacles. If litter accumulates in and around the school, the vending machines will be shut off.

Visitors:

We welcome visitors to our school. In order to insure the safety of our students and to prevent unnecessary class interruptions, everyone visiting the school must enter at the North door by the Superintendent's office. All other doors will be locked. Upon entering, report to the principal's office located at the end of the hallway. Visitor's will need to sign in and will be issued a visitor's pass which should be worn during your stay. When leaving, visitors need to sign out and return the visitor pass.

Students wishing to bring a guest to class may do so only with the permission of the Principal. Arrangements must be made in the high school office at least one day prior to the visit. Visitors will not be allowed during the first or last week of a semester or on days immediately prior to a vacation period. Former students who have dropped out of school or students who are younger than high school age will not be issued a visitor permit. Any person wishing to confer with a staff member shall contact that staff member by telephone to make an appointment. Conferences with teachers are held outside school hours or during the teacher's conference/preparation period.

Any staff member may request identification from any person on school grounds or in any school building; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who: (1) refuses to provide requested identification, (2) interferes with, disrupts, or threatens to disrupt any school activity or the learning environment, (3) or engages in an activity in violation of School Board Policy 8:30, Conduct on School Property.

Work Permits:

Illinois law requires that most youthful employees hold work certificates issued by school officials **prior** to employment. In general, a person must be over sixteen years of age, have parental consent if under sixteen years of age, have proof of age, and have a written statement of employer's intention to employ him/her before a permit is issued. All students who are in need of work permits or certificates are to see the high school principal or secretary. There is no charge for obtaining the work permit.
