

### Special Board Meeting - July 20, 2016

Public Comment:

Sandy Old – Clarification on her insurance – at no time did she realize she did not have MESSA (school) insurance. At no time was she trying to hide that she did not have school insurance.

Julie Beach – Thanked the board members that supported them for their vote.

Mary Caulkins – Praise to staff members should be to all staff members (not a select few). Support should be school wide.
