

SUNRAY ISD

SCHOOL HEALTH ADVISORY COUNCIL (SHAC)

“Whole School, Whole Community, Whole Child”

The Sunray ISD School Health Advisory Council is composed of parents, student and district employees that collaborate to establish healthy behaviors for our staff and students. ([Texas Education Code, Title 2, Subtitle F, Chapter 28, Subchapter A, §28.004](#)) requires the establishment of a SHAC for every school district. The SHAC is required to meet at least four times each year. The purpose of the committee is to assist in ensuring that community values are reflected in the health education curriculum and other school health issues.

[School Health Advisory Council: A Guide for Texas School Districts \(Publication N. E05-12431\)](#), shows a more in-depth explanation to the resources the SHAC can assist in.
