

## **MOCAP – VIRTUAL EDUCATION**

Under Section 161.670.3(2) RSMo, The Missouri Courses Access and Virtual School Program (MOCAP) offers approved virtual education courses to students. Missouri students may enroll in MOCAP courses for the fall and spring semesters each year; however, MOCAP is not available in the summer.

Requirements for MOCAP are strictly set by the Department of Elementary and Secondary Education for all virtual courses. With that said, not all virtual courses are approved for MOCAP. Santa Fe R-X High School uses Edgenuity, an approved MOCAP provider, as its vendor. To learn more about enrollment in the MOCAP program, contact Jennifer Hobbs, Counselor, at 660-674-2236.
