LAW ENFORCEMENT DRILL NOTICE

November 7, 2022

Dear Redbird Families,

Under state law, all schools in Illinois must conduct an active shooter drill with students present. Our students have reviewed the ALICE concepts (Alert, Lockdown, Inform, Counter, Evacuate) with Officer Beier during classroom visits in September/October.

Students and staff participated in the "lockdown" strategy of our ALICE concepts today. Our goal is not to scare students, but to prepare them. These types of drills are a valuable way for students and staff to practice making good decisions related to our ALICE concepts. The safety of the students and staff is the number one objective for these drills.

Please click on the link below OR see the additional attachment via email for more information regarding ALICE protocols.

[ALICE Concepts for Parents](#)

If you should have any questions or concerns, please contact me or Officer Gary Beier, School Resource Officer (SRO).

Respectfully,

Mrs. Julie L. Schultz, Principal
