The Nita M. Lowey 21st Century Community Learning Centers (21st CCLC) initiative is the only federal funding source dedicated exclusively to supporting local afterschool, before-school and summer learning programs.

Our 21st Century program will operate at the Dwight Common Grade School after-school until 6:00pm. Youth will have the opportunity to receive tutoring and participate in the variety of programming we offer that promotes academic success, healthy lifestyles and good character & citizenship. Our program is for youth in ages K (must be 5 years old)-8th grade.

Pick up will occur at door 10 (southwest door) of the school. For any questions contact, Jess Ogola at jogola@bgclivingston.org or 815-842-3089.
