

REGIONAL SCHOOL UNIT No. 67

SCHOOL NUTRITION PROGRAM MEALS AND CHARGES

The R.S.U. No. 67 Board of Directors believes that the School Nutrition Program plays an important role in helping our learners succeed in school. Proper nutrition is essential for growing bodies and assists learners in reaching their full potential in academics. The district's intent is to ensure that the learning process is not impeded in any way for learners who are hungry because they have not had a proper breakfast or lunch.

The district shall take part in the National School Lunch Program and other food programs which may become available; to assure learners shall have the opportunity to receive proper nourishment. The federal assistance under this program allows the district to provide some meals free or at a reduced price, dependent upon family income. The regulations of the National School Lunch Program shall be used in administering participation in the program. Parents shall be advised that this program is available. Eligibility criteria shall be made public. Applications for Free and Reduced Lunch shall be sent home at the beginning of each school year and may be submitted to the school at any time during the school year.

All learners who do not qualify for Free and Reduced Lunch are expected to pay for school meals at the time of purchase. To ensure that learners do not go hungry, but also to promote responsible learner behavior and minimize the fiscal burden to the District's School Nutrition Program, the District shall enforce the following policies by grade level:

A. Free and Reduced Lunch

1. Free and Reduced-price lunch status allows a child to receive one free breakfast and lunch every day. A la carte items are not part of the USDA program and are not allowed to be charged.

B. All Others

1. PreK – Grade 12 learners shall be served a regular meal regardless of a balance owed.
2. Overdue balance notices shall be sent to parents/guardians monthly for any negative balances over \$5.00 and weekly for any negative balances over \$25.00.
3. No a la carte purchases may be charged if a learner has a negative balance, and must have written permission from parent/guardian prior to charging on student account.

C. Staff Meals

1. Adults shall not be allowed to charge any meals or a la carte items causing their meal account to go into a deficit balance.

Parents/guardians may contact the school and request an extension on a balance owed. The food service director or designee shall make a decision on the request within 24 hours.

REGIONAL SCHOOL UNIT No. 67

The district retains the right to pursue legal action to recover overdue meal balances. These actions could include contacting the small claims court to collect money owed or notifying the Department of Health and Human Services of child neglect.
