## Why Redesign?

To facilitate the social-emotional stability of the whole child in order to be a successful learner.

## Our Vision

Love  
Ignites  
Opportunities  
Needed for  
Success

## Our Journey

While our official launch date was August 2019, we have been implementing several of the following strategies since our approval to become a Gemini II Redesign school in the fall of 2018. Through many hours of struggles and celebrations, we are well on our way to achieving the Kansans Can goal of Kansas leading the world in the success of each student!
