

The Seminole Public Schools Board of Education is an elected Board and enjoys an excellent reputation for selfless service to the community. School Board members take on a great responsibility of governing the school district while ensuring all students are offered a quality education.

The Board is responsible for establishing policies under which the school system operates while acting within the framework of Oklahoma and federal laws and still being responsible for the unique needs of the community. As citizen leaders, individual school board members face complex and demanding challenges as they contribute hundreds of hours each year leading our district.
