## Annual Education Report

January 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the K.C. Ling Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Lori Gensch at 989-642-5235 for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/34sLshJ>, or you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels..

At Hemlock Elementary, our goal is to help each child progress in their overall development, i.e. socially, emotionally, and academically, as they prepare for kindergarten and beyond.

State law requires that we also report additional information.

The two most recent years of the following information will be included in this report:

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL
2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS
6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

## PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Hemlock Elementary houses two Young Fives classes, Kindergarten and an Early Childhood Special Education program. All Young Five and Kindergarten students are assigned to Hemlock Elementary, while the ECSE program services students from the local area based on their IEP needs.
