

# FEBRUARY 2020

---

We are excited to be heading into the second half of the school year! Just a reminder that on Friday, Feb. 14th & Monday, Feb. 17th, 2020 we will not have a regular school day. Also our classes begin @ 8:35am. Arrival after that time means that classes are being interrupted and activities are being delayed.

Will it be warm? Will it be cold? You just never know from day to day around here! Welcome to February! We have some fun things coming up to get us through these slow days of winter. We are excited about our second book fair of the year, starting next week. We also have our 3rd Quarter Celebration and of course many educational opportunities for our students.

Remember you can support your student at home by reading with your child each day and making sure they know their math facts! Home to school support is a key connection for your child to see the trust and teamwork that we put into their education and growth.

## General News

- Yearbook sales will be starting soon. Be on the lookout for the flyer. You will be able to order online this year!
- Please remember to send coats, gloves, and hats with your children. We do not have enough on hand to supply. As well as, remember to write your child's name on their belongings and to check our lost and found for any missing items.
- Flu season is upon us! Please remember your child should be fever-free for 24 hours before sending back to school! With all the illnesses that seems to be going around these days, please remember to encourage frequent hand washing, wash lunch bags & backpacks!
- Our Kindergarten Registration Night is scheduled for Tuesday Feb. 4th @ 6pm. If you know anyone with a child that will be eligible for the 2020–2021 kindergarten class, please spread the word!

## Winter Fun Family Activity Ideas

1. Take a blanket, book and a cup of hot cocoa and read a book together or retell favorite memories
2. Go Ice-Skating
3. Head out on a 'photo shoot' and take winter picture scenes
4. Feed the birds or go bird watching, Lone Elk Park is a great location for a warm cozy nature drive through
5. Make homemade s'mores and build a blanket fort

At home try and use the districts 8 pillars of success language so that your child knows the expectations in and out of school OR focus on one of the characteristics as a family and see what kind of results you get!

Collaboration, Responsibility, Creativity, Communication, Resilience, Respectfulness, Citizenship, & Critical Thinking
