NOTICE OF PERSONNEL OPENING

POSITION: Automotive & Small Engines Teacher

ANTICIPATED START DATE: August, 2020

QUALIFICATIONS:

- Valid Illinois Professional Educator License with secondary endorsements in Tech Ed or hours in the field of automotive, small engines, and/or diesel mechanics to pursue a provisional license.
- A desire to make a difference in young lives.
- The ability to work collaboratively with colleagues toward continuous improvement.
- Demonstration of a positive, growth-oriented mindset.

REASONS TO JOIN THE PCHS TEAM:

- Our top-notch educators function as a large family, and our vibrant, positive culture is dedicated to the success of all students.
- Our extensive programs and courses connect to the ever-changing world and prepare students for post-high school pursuits in college, training, careers, and military.
- Various student programs serve our school and community while providing training for our students, including an in-house daycare/preschool for employees' children (ages 6 weeks through Pre-K), a restaurant within the school where you can have lunch or plan a cross-curricular culinary experience, an automotive program where you can have your car serviced, a graphic design class that can create your brochures or posters, and many more.
- We are a 1:1 school, and we strive to offer the most effective technology to benefit instruction and ensure digital citizenship.
- We offer support for teachers new to PCHS in the form of peer mentorships, instructional coaching, and a wide variety of professional development opportunities.
- We are financially stable, consistently earning ISBE's highest financial profile recognition status.

BENEFITS: We pay a competitive compensation based on education and experience, as negotiated by the collective bargaining agreement.

ARE YOU READY TO APPLY?

Interested candidates should upload all materials to the attention of Sheila Coussens-Martin via our Applitrack link: <http://www.applitrack.com/pekinhigh/onlineapp/>
