Tenino School District

Electronic Information System (P-20 Network)
Internet Usage

I have received and read the District's Electronic Information System (P-20 Network) Policy and Procedure 2022. I understand and agree to abide by the District policy and procedures for internet usage.

I acknowledge and agree that the District has the right to review, edit or remove any materials installed, used, stored or distributed on or through the network or District's system including e-mail and other electronic messages and I hereby waive any right of privacy which I may otherwise have to such material.

I acknowledge and agree to waive copyright claim for materials I have posted on the Internet through the District's system.
