

# 2019-20 Division 22 Assurance Form

In November 2020, districts are expected to report their compliance status on all Division 22 standards in effect for the 2019-20 school year. For the 2019-20 school year, the State Board of Education adopted OAR 581-022-0103 State Standards for the 2019-20 School Year. <https://tinyurl.com/581-022-0103> This rule temporarily established a streamlined set of Division 22 standards in effect for the 2019-20 school year, accommodating for the shift to emergency distance learning in response to the COVID-19 pandemic. For the 2019-20 school year, school districts are required to report on the Division 22 standards included in OAR 581-022-0103; any standard not included in this rule is waived for the 2019-2020 school year. Please carefully review each standard identified in OAR 581-022-0103 as you complete this form.
