Re: Information Regarding Your Health Benefits

Learn More About a Shift in Your Health Benefits
Your Medical Plans will be Provided by CSEBO
Effective 7/1/23

Medical insurance for active employees and retirees is periodically reviewed by the District. In spring 2021, the District began looking in detail at alternatives to the Gold Coast Joint Benefit Trust for medical insurance. The goal of this review was to identify alternatives that would be better for everyone.

At the end of the review, California Schools Employee Benefit Organization (CSEBO) was selected as an alternative to Gold Coast that would provide the same or better medical insurance options. CSEBO is located in Camarillo and has a long history of helping school districts, employees, and retirees to access high-quality affordable health insurance.

Your same Kaiser and Anthem Blue Cross plans will be available, as well as new low cost health savings account (HSA) options.

Informational Meetings on the Shift to CSEBO

In-person meetings to learn more and ask questions will be held at on the following days:

- March 1st at 3:15 PM, Sunkist Elementary School
- March 8th at 3:15 PM, Fred L. Williams School
