Message from the Principal

As a parent and school principal, the safety and well being of our children is extremely important to me, as I know it is for everyone at our school. Please help your children practice good safety habits for walking and bicycling to school by reminding them to:

- Always cross at crosswalks.
- Cross only when it's clear.
- Keep looking for cars in both directions.
- Avoid crossing in the middle of the street.
- Use the sidewalks when they are available.

Parents, you can also help by modeling appropriate traffic safety practices yourself, whether you are walking, bicycling or driving. **This includes practicing good traffic safety habits in school zones. Follow the flow of traffic by moving up in line. Do not use the back entrance to come into the school and go against the flow of traffic. It is essential that students are dropped off and picked up in designated areas only.** Remember, children learn by our example.

Golden Hills Yearbook Sales

Yearbooks are for sale in the school office for the low price of \$11.00 till February 28th. Starting March 2nd, the price will go up to \$13.00. The yearbook features a soft cover, color pages, and contains pictures of all the students, teachers, staff, and fun memories at GH. Students who purchase a yearbook will receive their copy the last week of school.

Help Your Child Succeed in School and

Build a Habit of Good Attendance

Why does attendance matter for young students?

- Attending school regularly helps your student feel better about school and themselves.
- Your student learns right away that going to school on time every day is important.
- Good attendance will help your child develop good habits and do well in elementary school, high school, college, and at work.

We want to partner with every parent and family so each child in our school can succeed!

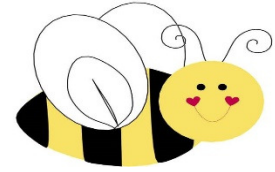

Wayne Houchin Magic Assembly!
