The Seneca East Baseball Club offers various levels of competition for our youth. They include:

T-Ball:	games are 2 innings long (1 inning = every player bats) no score is kept
Town League:	all games are played in Attica or Republic – games are 5 innings long – 2 of the innings are coach pitch. If there are not enough players for at least 4 town league teams, we will not have a town league and we will be joining the county coach pitch league. (ages 5-7) This will be discussed more in depth at the registration meeting.

I would like my child to play at the following level (please circle one):

T-Ball	Town League
<i>Suggested ages:</i> 4-5	5-8

****The above request will be taken into consideration when forming teams, but it does not automatically put a child on that team. Teams will be formed based on the number of players, ability level, and/or age. Any request for town league will be granted for players 9 and under. Any player 8-12 will be placed on a county league team if requested.**

Requests for players to play for certain coaches will ONLY be granted to keep immediate family members together.

REGISTRATION FEES:

Tee-Ball:	\$25/player
Town League/A/B/C:	\$50/player
Pony League:	\$60/player
Family Rate:	\$80 maximum *Family rate does not apply to Pony League and Girls Softball

Uniforms (hats/tee-shirts, etc.) will be provided by the SE Ball Club. No player, coach, or team may wear other uniforms or uniform upgrades for games without prior authorization of the SE Ball Club.

Due to the risk of injury involved, I recognize the importance of following coaches' instructions regarding, but not limited to playing and practicing techniques, training and team rules, and to obey such instructions.
