## Principal's Message

### Alliance High School Class of 2022... You made it! Congratulations!

Your class is unique and impressive in your own ways. You have worked so hard to get to this point of graduating! I am honored to have served as your principal, once during your sophomore year and then again during your senior year.

I am proud of the wonderful young men and women you have become and the resilience and persistence you have demonstrated as you achieved great things academically, athletically and artistically. I am confident you are prepared for the life, college and careers you are about to embark on.

On behalf of the teachers and staff at Alliance City Schools, we congratulate you on reaching this life milestone and wish you success and happiness in your future endeavors.

Best of luck, Class of 2022, and keep Reppin' That A.
