Principal's Message

Alliance High School Class of 2023... You made it! Congratulations!

Your class will forever be special to me as one of the kindest, funniest and most active. I am honored that I had the opportunity to serve as your principal as you were sophomores and then again as seniors. I am proud of the wonderful young men and women you have become. You have shown that you are resilient and persistent as you achieved great things academically, athletically and artistically. I am confident you are prepared for the life, college and careers you are about to embark on. On behalf of the teachers and all of the staff at Alliance City Schools, we congratulate you on your graduation and wish you nothing but the best in your future endeavors.

Best of luck, class of 2023, and **keep Reppin' That A.**
