How to Schedule

- Meet with your core teachers to go over what you should take next year
- Mark it down on your registration form
- Login to your HAC account
- Click on classes
- Click on requests
- Find the courses you went over with your teachers and select each one (make sure to save)
- Make sure the course code on your paper matches up with the one you selected in your HAC
- Make sure you are scheduled for a minimum of 6 credits

Scheduling for Junior Year

- **Career and Technical programs:** If you are accepted into a CT program, your counselor will call you down to make sure your schedule is correct. As of right now, schedule like you ARE in your 1st choice CT program.
- **Decisions Book:** [Online Alliance High School Website, course descriptions](#)
- **Athletic Eligibility**
 - All athletes must pass 5 one-credit courses in the preceding grading period
 - All student-athletes should be enrolled in 6 classes just in case you fail a class

Schedule Change Policy

Changes in a student's schedule will only be considered for the following reasons:

- Change into a career/technical program
- Master schedule conflict between classes chosen in the spring
- Two or more study halls or no study halls
- Lacking a course needed to graduate
- Changes due to summer-school enrollment
- Conflicts with post-secondary enrollment
- Change a study hall to an office aide
- Obvious error in schedule

All other requests outside these parameters must be submitted to and approved by an administrator.

Changes in a student's high school schedule will *not* be considered for the following reasons:

- To change the student's lunch
- To have classes with friends
- Student or parent desire for another instructor
- Student requested the course but no longer desires it

Honors Contract

Expectations:

1. I understand these classes are designed to prepare me for success in college and careers.
2. I understand the commitment of time and dedication I will make by selecting advanced courses for next school year. I should expect nightly and weekend homework in these classes. This work will include outside reading, research, project development, essays, and reflective writing.
3. I understand I may be required to complete summer work for one or more of these classes. If I do not complete summer assignments, I am aware this will have a negative impact on my grades. I also understand that by not doing the summer assignment, I will not be dropped from the course.
4. I understand if I drop a face-to-face CCP course, I will remain in the course as a non-CCP student for the remainder of the semester. I understand that I can only drop AP or honors courses at the semester, and only if approved by an administrator.
5. I understand that all AP students are required to take the AP test or complete the AP portfolio.
6. I understand that I must be mindful of the total number of advanced courses I schedule in any school year to give myself the opportunity to be successful.

Graduation Distinction

- Summa Cum Laude — Weighted GPA of 4.00 or above
- Magna Cum Laude — Weighted GPA of 3.75 to 3.99
- Cum Laude — Weighted GPA of 3.50 to 3.74
 - All distinctions require 30 hours of community service

Honors Diploma

- 4 credits of english, math, science, social studies
- 3 years of the same foreign language or 4 years of 2 different foreign languages
- 3.5 gpa on a 4.0 scale or 27 on the ACT
