

Alliance Area Development Scholarship for Engineering Technologies, Industrial, Advanced Manufacturing and Automotive Technologies

Alliance High and Marlinton High School students completing one of the following programs in good standing are eligible for a \$1,000 scholarship to Stark State College to be used for programs, books, etc., as indicated by the criteria stipulated in the application.

Automotive and Transportation Technology
Civil Engineering
Electrical Engineering
Mechanical Engineering
Oil & Gas Technologies

Industrial Engineering:
● Construction Trades
● Maintenance
● Manufacturing
● Welding
● HVAC

To be eligible for the program, students will need to:

- Meet admission criteria to Stark State College and be granted admission
- Complete and pass one a 2 year Career Tech program at Marlinton or Alliance High Schools: Auto Technology, Construction Trades, Engineering, Natural Resources Energy, Welding, or “other”.
- Earn an overall proficient score or higher on required CTE Competency Exams (WebXams) or earn 12 or more points of State Recognized Industry Credentials.
- Be fully enrolled at Alliance or Marlinton High Schools during Junior and Senior years
- Successfully complete all state and school graduation requirements by the Spring Commencement.
- Enroll as a student at Stark State College in the Summer or Fall semester immediately following graduation, and study one of the post-secondary programs listed at the top of this page.

Students do not have to enroll at Stark State College in the Career Field program from which they graduated in High School

Requirements

- _____ Complete below application, including an attached one-page (typed, double spaced) answer to the essay topic: My passion and commitment to a career tech program and future career
- _____ Submit one letter of recommendation from your career tech teacher. Please have him/her address academics, character, potential in career tech field
- _____ Attach a current transcript
- _____ Statement of ERC (expected Family Contribution) from FAFSA Results

Please return to the Alliance HS Guidance Office by the DEADLINE: April 15th, 2023

**Alliance Area Development Scholarship for
