TITLE I

SCHOOL-PARENT COMPACT

2021-2022

It is the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective environment that enables the children to meet the State's student performance standards. Each parent is responsible for supporting their child's learning, such as monitoring attendance, homework completion, and television watching; volunteering in their child's classroom, and participating as appropriate, in decisions relating to the education of their children and positive use of extra-curricular time.

PARENT/GUARDIAN

Communication between teachers and parents is important. As a parent or adult who has responsibility for the child, I will attend parent-teacher conferences during which this compact will be discussed as it relates to my child's achievement. I will read each progress report and talk to my child about the progress report. I understand that I will have reasonable access to my child's teacher along with opportunities to volunteer and participate in my child's class, and observe classroom activities.
