work as a team.

This Passport Belongs to:

Student's Name: _____

Teacher's Name: _____

Start Date: _____

Centennial PBIS
14644 Highway 159
San Luis, Colorado 81152
(719) 672-3322
www.centenniaschool.net

Centennial School District:
San Luis.

Where Rams are

New Student

Places of Interest:

Music and Art:

Music and art are important parts of your date. Meet your teachers, and learn the routines for getting to and from the classes in the fine arts wing.

P.E. and Computers:

There will be times each day to exercise both your mind and body. Several computer labs are located around the building to keep your tech skills sharp, and your body will remain healthy when you exercise in one of the two gyms right in the middle of the school. We even have a wrestling and a weight room!

Important People to Recognize:

Superintendent:	Mr. Crowther
Principal:	Mr. Garcia
Attendance Clerk:	Mrs. Atencio
Counselor:	Mrs. Guerrero
Nurse:	Mrs. Martinez
Maintenance:	Mr. Medina
Food Service:	Ms. Hurtado
Librarian:	Mrs. Quintana

The hallways are corridors to learning, so it is important to be SMART when moving through the halls. Keep to the right as you walk and pay attention to the video to see how our Mighty Ram uses his SMART's when out of the classroom. _____

Tour Locations:

Visit the front office and learn where to check in and out of school, make phone calls home, and see if you need assistance.

View the behavior expectation video about how to be SMART in the front office. _____

Cafeteria/ Commons:

Our school lunches are lovingly prepared from scratch each day by our cooks. Be sure to thank them for keeping you full and healthy while you see the SMART ways to stand in line for your food, sit with your classmates and friends, and clean up your tray when you are finished eating. Remember, the commons is also a SMART place before and after school – especially when there is a game or other event.

Bus, Playground, and Library:

Whether you are picking out a new book or showing your best moves on the swings, being SMART is always part of the equation. See where your day begins and ends as you meet our bus drivers and custodians, and don't forget to give the librarian "knuckles" when you visit the library. _____

Be sure to have your passport

Also, initial each behavior expectation video you watch.
