Principal Rodemack's Corner

We kicked off the new semester this week and all went extremely well. Kids have adjusted to new schedules and I believe we were able to have more balanced classes, and more opportunities for a large amount of our student body. With that, I always like telling the kids that they all have A+ grades at the moment. Whether they maintain them or not is up to them. The message is they are not given a grade by their teacher, but they earn their grade. Kids are being encouraged to maintain strong grades the entire semester, and try to avoid piles of assignments at the end.

Our drama class is presented its winter play this Friday at 7 and this Saturday at 6pm. I encourage all to attend from our surrounding communities. We got a sneak peak of the play this afternoon and our student body was definitely laughing hard at the comedy our students are putting on. Adults are 4 dollars, students are 2, and families will not be charged more than 10. I highly encourage, even if you don't have students, to attend one, or both, of our showings.

We have a half day of time for conferences this Friday where parents/guardians can come and talk to their student's teachers. If you want to arrange a time, please contact Cathy in the front office at 541-935-2227.

As always, if you have any questions or concerns, please let us know.

Thanks,

Principal Rodemack

Zane Clemmer recorded 2 pins in a thrilling 3rd place finish. Ryan Pew and Jonah Cooper both placed 4th in their division. Colton Nevins wrestled his way to 5th in a tough bracket. Gage, Zane, Ryan, and Jonah move on to the 16 team District finals at Creswell this Saturday February 8th @ 9 AM.

Our Cougar HS girls wrestled in a 29 team tournament at Cottage Grove Saturday. Tayla recorded 2 pins and finished 3rd. Kat recorded 3 pins and also won in the consolation final to place 3rd. The girls helped Elmira to a first place finish for the 5th time this season. Next Friday and Saturday Feb 7th & 8th, the girls compete at Thurston to determine State qualifiers.

Good luck to all of our wrestlers who have worked so hard this season.
We know you will represent our community with pride and respect.
Go Cougars!

HS Boys & Girls Basketball:

The HS teams have had a rough week following the homecoming wins against McKenzie. Both the boys and girls' teams have lost two straight to Eddyville and then Mapleton. The boys' teams needed to win both of those games to avoid a play-in game for the playoff tournament which now looks inevitable. Dayton Ricks had a huge game against Eddyville scoring 28 points and grabbing 11 rebounds in the losing effort. The Varsity Girls have three more games this season and likely will finish 7th in league, leaving them out of the playoffs.

The Varsity boys capped off the night with a commanding performance against the 4-4 Eagles. Kyle Schwartz and Dayton Ricks lead the way in scoring and were shooting well from beyond the arc all game long. Kyle

finished with 19 points and 11 rebounds. Dayton finished with 18 points and 8 rebounds. The Cougars won 53-29 and boosted their league record to 5-4 holding the 3rd spot in the MWL.

MS Girls Basketball:

The MS Girls team took on Eddyville on Monday evening. The girls had a good game and showed aggressive defense and an ability to get lots of shots up on the offensive side. They ended up falling short in the end.

Clothaloc (PG-13, 2000)

Starring Juliette Binoche as a magical chocolate maker and Alfred Molina as a rigidly devout priest, this comedy tells the story of a buttoned-down village shocked by sweets and the concepts of indulgence and pleasure they imply. Rodgers & Hammerstein's Cinderella, Enchanted Edition

Rose Children's Theatre presents Cinderella, Enchanted Edition, with a cast of over 60 young actors, a live orchestra, beautiful costumes and gorgeous sets including one giant pumpkin coach! The timeless enchantment of a magical fairy tale is reborn with the Rodgers & Hammerstein original charm and elegance, given an updated twist. As adapted for the stage, with great warmth and more than a touch of hilarity, the hearts of children and adults alike still soar when the slipper fits. This Enchanted Edition is based on the 1997 teleplay.

Directed by Dody Hansen with assistant directors Karen Olsen and Jeannette Engel; choreography by Adam Kelly. The production features a 15-piece orchestra conducted by Chris Holt.

Director Dody Hansen: "You can be whatever you want to be." Is the theme of this fun over the top rendition of the classic story of a girl who becomes a lady who sees hope and happiness is possible even in the most dire of situations. The Prince, Christopher and his buddy Lionel are determined to find a lady who loves him for himself and not his crown. The hilarious step sisters and their domineering mother show us the true meaning of silliness and dysfunctional society.

The beautiful ensemble will dance you all the way to midnight and charm you with their harmonious melodies. With a full live orchestra and amazing sets this is not to be missed. See you at the ball.

Come dressed for the occasion if you wish!"
