Goal 2: To improve attendance for each student as measured by school attendance rates.

Action	Timeline	Monitor	Evaluate
Create a school attendance team consisting of principal, counselor, nurse, and attendance clerk to monitor attendance.	August 2019	Principal will report to Superintendent monthly the work of attendance team.	Attendance rates will be compared to previous year 4 times during the year for effectiveness of team's work (Oct., Dec, Feb., and April).
List other actions you will take one by one in these boxes.	What is the specific timeline for that action? Don't just put Aug - May (not specific enough).	How will you monitor to ensure the action is being implemented?	How will evaluate the effectiveness of the action?
