From the School Health Office

To: Parent/Guardian of Students Entering Ninth Grade: 2023-2024

Students entering ninth grade will need the following requirements completed in compliance with the state of Illinois by the **first day** of school which is in accordance with our school handbook:

- 1. School Physical**
- 2. Dental Exam**
- 3. Updated Immunization record**

School physical can be completed at the student's primary doctor's office.

If your student is unable to get their dental exam done, he or she may participate in the dental bus program through Sarah Bush when the dental bus visits our school. Those permission forms will go home with your student the first week of school.

It is the **parent's responsibility** to make sure forms make it to the school. Please do not expect the doctor's and dentist's office to fax the forms to us. The school office is open every day from 8am-2pm.

Please feel free to call the school health office 217-923-3132 for any questions or concerns.

Thank you for your cooperation and prompt attention to this matter!

Sincerely,

Dawn Peters, LPN
