Y'all Amazing

Why rent tuxedos they are cheaper if purchased

Teachers need to watch students more to stop the bullying going on in the class

From what some of my children has come home in talk about how the teachers are bullies and very disrespectful when they talk to them..Some of the special Ed teachers calls their students stupid or dumb ..I think what would make the school a better place to learn if the students had better teachers that won't down talk them..

Homework would be nice and more communication from teachers

My job keeps me from volunteering because of the hours I work& my child did not go to this school last year that's why I didn't attend any events last year

I think parent tutoring would be great!
