PROGRAMS OF EXCELLENCE

In 2020-21, schools will be able to self-identify as Programs of Excellence at one of three levels – bronze, silver or gold – with input from staff, school leadership, and stakeholders. In the 2019-20 school year, schools can identify up to three Programs of Excellence areas as priorities. These priority areas are shaded blue and indicate the intent of the school to plan, implement and evaluate activities that support the whole child.
