Chromebook Care

To purchase CB insurance go to <https://vstore.fayar.net>
(make sure to enter the **STUDENTS** name on the form)

CARRY your Chromebook with **TWO** hands at all times.

- **NEVER** carry it with one hand

NEVER carry your Chromebook while the screen is open unless directed to do so by a teacher.

ALWAYS use your Chromebook on a **FLAT** surface.

When unplugging headphones or charging cables, grab the thick black/white part, **NOT** the cord. Be **gentle**.

NEVER close your Chromebook with anything in between the keyboard and the screen.

- Things like your **pencil, paper, eraser, or headphones.**

NEVER try to damage your Chromebook on purpose.

When plugging the Chromebook into charge, grab the thick part and do it softly. **Do not** force it.

NEVER eat or drink while working on your Chromebook.

Make sure your hands are clean before getting your Chromebook.

NEVER peel off any stickers that are on your Chromebook.

NEVER personalize or change settings on your Chromebook without teacher permission.

ALWAYS keep pencils, crayons, markers, fingers, and anything damaging off the screen.

ALWAYS keep your Chromebook clean to keep germs away.
