

Root Elementary Blast Clubs Session 3 (Jan 23 – Mar 10, 2023) Club Offering

The Blast After School Clubs, organized by the PTO, have something for all Root Rockets!

Each Club will meet 1 day per week from 3:05-4:05 PM. No clubs the week of February 13th because of Parent Teacher Conferences. *Scholarships are available!! Email Jennifer.Lavender@fayar.net to secure.*

Online Registration will open Monday, January 9th at 7 PM and close on Wednesday, January 11th at noon.

Enrollment will be through the online store in PTBoard. It will be live on January 9th at 7 PM and an email with the registration link will be sent at time of registration. If you do not have an account with PTBoard, create an account and add your students to PTBoard prior to registration to speed up the process.

A few important notes:

- If you would like to register for Blast Clubs, but do not have access to internet or have had trouble registering in the past, please contact Mary Ward prior to registration. We will work with you to find a club for your student(s).
- Because so many clubs fill up fast and there are often shifts to rosters after registration, we have a waitlist option. If the club is full when you try to register, join the waitlist in PTBoard.
- **Waitlisted last session? Good news! You will have access to registration a day early! An email will be sent to those who were waitlisted, and you can begin to register on Sunday, January 8th.**
- Class sizes are limited and filled on a first-come, first-served basis. Be prepared to sign up as soon as online registration opens and have a back up plan if your first pick is full.
- If a club has less than 4 students enrolled, the club will not take place.
- After registration is complete, club rosters will be confirmed. You will receive an email confirming what club(s) your child(ren) are in and club details.

MONDAY CLUBS - \$50 per session (NO CLUBS ON FEBRUARY 20th – President's Day)

Bead Club Jr. (K-1st) Let's make some fun beaded creations in Bead Club. From bracelets to keychains, if you like to create, this club is for you. It will BEad amazing! *Max enrollment: 8 Instructor: Laura Loyd*
