

SOUTH CENTRAL LOCAL SCHOOLS

3305 GREENWICH ANGLING ROAD • GREENWICH, OH 44837 • 419.752.3815

The following position is hereby posted:

High School Business/Technology Teacher

The South Central Local School District is seeking a High School Business/Technology Instructor to teach high school business/technology and computer courses designed to provide students with work-force readiness skills, employability and possibly industry-recognized credentialed courses. This is an opportunity to join a high performing, rural school district committed to the success of all students.

Application Deadline: January 31, 2020 or until position is filled

Salary: As per the SCEA Negotiated Agreement

Minimum Qualifications:

- Current or valid license from the Ohio Department of Education
- Certification to instruct career technical courses or willingness to obtain
- HQT in teaching assignment area(s)
- Willing to keep current with advances in equipment and technology that support job function.
- A record free of criminal violations that would prohibit public school employment
- Complies with drug-free workplace rules and board policies.
